FOR WILDLIFE

Aldo Leopold is an internationally recognized figure in wildlife conservation and pioneering author and philosopher on environmental ethics and land stewardship. Born and raised in southeastern Iowa on the bluffs of the Mississippi River in Burlington, Leopold's land ethic was born from hundreds of hours of careful observation outdoors in Iowa, Wisconsin, the American southwest, and other natural landscapes. Surely many of those hours, especially those outside his family's "shack" on the banks of the Wisconsin River, were spent on benches just like these, which similarly adorn the trails and fields of natural areas around the Midwest. This plan shows you how to create your own Aldo Leopold Bench where you can experience and enjoy nature. Situate your new bench in your favorite natural area or outdoor spot; visit it often with a book, binoculars, or camera; and enjoy the sights, sounds, and smells of nature.
