Financial Services and General Government Appropriations for 2015 United States. Congress. House. Committee on Appropriations. Subcommittee on Financial Services and General Government, 2014 *Commerce, Justice, Science, and Related Agencies Appropriations for Fiscal Year 2015* United States. Congress. Senate. Committee on Appropriations. Subcommittee on Commerce, Justice, Science, and Related Agencies, 2015 Case Studies in Corrections Bradley D. Edwards, Michael Braswell, Larry Miller, 2018-06-28 *Case Studies in Corrections* invites the reader to analyze hypothetical situations confronted by judges probation officers inmates correctional officers counselors clerics and administrators Concise but thorough introductions to each section provide background for assessing the scenarios Thought provoking questions stimulate reflection about possible courses of action and the potential consequences of choices made The Sixth Edition encourages an interactive approach whether rethinking effective punishment analyzing the role of the community in corrections or addressing ethical and legal issues Reflections on Probation Jennifer Grant, Laura Haggard, Michelle McDermott, 2025-10-14 Reflective practice is at the heart of probation training and the continuing professional development of practitioners This edited collection provides practitioners with an opportunity to explore and develop their own reflective practice considering diversity and organisational challenges with real world examples of reflection in the probation context In addition to probation specialists its contributors include those from prison third sector organisations and mental health perspectives to consider probation practice in different settings Each chapter provides prompts for reflective development so its ideas can be immediately applied in practice It will equip the reader to develop their reflective practice skills regardless of their level of experience **The Oxford Handbook of Law, Regulation and Technology** Roger Brownsword, Eloise Scotford, Karen Yeung, 2017 The variety pace and power of technological innovations that have emerged in the 21st Century have been breathtaking These technological developments which include advances in networked information and communications biotechnology neurotechnology nanotechnology robotics and environmental engineering technology have raised a number of vital and complex questions Although these technologies have the potential to generate positive transformation and help address grand societal challenges the novelty associated with technological innovation has also been accompanied by anxieties about their risks and destabilizing effects Is there a potential harm to human health or the environment What are the ethical implications Do these innovations erode or antagonize values such as human dignity privacy democracy or other norms underpinning existing bodies of law and regulation These technological developments have therefore spawned a nascent but growing body of law and technology scholarship broadly concerned with exploring the legal social and ethical dimensions of technological innovation This handbook collates the many and varied strands of this scholarship focusing broadly across a range of new and emerging technology and a vast array of social and policy sectors through which leading scholars in the field interrogate the interfaces between law emerging technology and regulation

Structured in five parts the handbook I establishes the collection of essays within existing scholarship concerned with law and technology as well as regulatory governance II explores the relationship between technology development by focusing on core concepts and values which technological developments implicate III studies the challenges for law in responding to the emergence of new technologies examining how legal norms doctrine and institutions have been shaped challenged and destabilized by technology and even how technologies have been shaped by legal regimes IV provides a critical exploration of the implications of technological innovation examining the ways in which technological innovation has generated challenges for regulators in the governance of technological development and the implications of employing new technologies as an instrument of regulatory governance V explores various interfaces between law regulatory governance and new technologies across a range of key social domains

Juvenile Justice John T. Whitehead, Steven P. Lab, 2015-02-20. *Juvenile Justice: An Introduction* 8th edition presents a comprehensive picture of juvenile offending, delinquency theories, and how juvenile justice actors and agencies react to delinquency. It covers the history and development of the juvenile justice system and the unique issues related to juveniles, offering evidence-based suggestions for successful interventions and treatment, and examining the new balance model of juvenile court. This new edition not only includes the latest available statistics on juvenile crime and victimization, drug use, court processing, and corrections, but provides insightful analysis of recent developments such as those related to the use of probation, supervision, fees, responses to gangs, and cyber bullying, implementing the deterrence model, Project Hope, the possible impact of drug legalization, the school to prison pipeline, the extent of victimization and mental illness in institutions, and implications of major court decisions regarding juveniles such as Life Without Parole (LWOP) for juveniles. Each chapter enhances student understanding with Key Terms, a What You Need to Know section highlighting important points, and Discussion Questions. Links at key points in the text show students where they can go to get the latest information, and a comprehensive glossary aids comprehension.

The Routledge Handbook on Global Community Corrections Ioan Durnescu, James M. Byrne, Benjamin J. Mackey, Faye S. Taxman, 2024-06-25. *The Routledge Handbook on Global Community Corrections* assesses and analyzes the status of community corrections systems around the world, highlighting inter-regional and intra-regional variations in their design, implementation, and impact on policy and practice. Covering both probation and parole, this handbook brings together leading international experts to examine the myriad of systems developed under the broad heading of community corrections to manage community corrections populations at the pre-adjudication, adjudication, and post-release stages. Chapters are designed to consider the following questions: How many offenders are placed in community corrections systems around the globe? What are the key design features of these community corrections systems? What do we know about the effectiveness of community corrections within and across global regions? This is an essential reference text for all those engaged with community corrections, probation, and post-release policy in criminal justice.
