Spaces of Conflict, Sounds of Solidarity Gaye Theresa Johnson, 2013-02-15

In *Spaces of Conflict Sounds of Solidarity* Gaye Theresa Johnson examines interracial anti racist alliances divisions among aggrieved minority communities and the cultural expressions and spatial politics that emerge from the mutual struggles of Blacks and Chicanos in Los Angeles from the 1940s to the present Johnson argues that struggles waged in response to institutional and social repression have created both moments and movements in which Blacks and Chicanos have unmasked power imbalances sought recognition and forged solidarities by embracing the strategies cultures and politics of each others experiences At the center of this study is the theory of spatial entitlement the spatial strategies and vernaculars utilized by working class youth to resist the demarcations of race and class that emerged in the postwar era In this important new book Johnson reveals how racial alliances and antagonisms between Blacks and Chicanos in L A had spatial as well as racial dimensions

New Hollywood and Countercultural Whiteness Till Kadritzke, 2024-11-18

In the late 1960s the white counterculture enters the screens with *Bonnie and Clyde* and *Easy Rider* in 1976 a backlash seems to have taken place with white male protagonists such as Travis Bickle Howard Beale and Rocky Balboa being surrounded by non white and female others But these films cannot be neatly identified as left wing or right wing liberal or conservative in their politics of affect they rather express important affinities This study proposes the New Hollywood as an entry point into a cultural history of the postwar era sensitive to the intersections of affect race and gender Following a narrative that spreads from the immediate postwar years to the 1970s the study examines how New Hollywood films were part of a discursive and affective reconfiguration of white masculinity the emergence of a subject position of countercultural whiteness and its affective style of expressivity Examining affective affinities between films of the era

complicates the narrative of polarization that shapes commentary on the history of American politics emphasizing instead the shared racialized and gendered politics of the white counterculture and those reactionary forces that allegedly lashed back against it

Nursing a Radical Imagination Jess Dillard-Wright, Jane Hopkins-Walsh, Brandon Brown, 2022-11-18 Examining the historical context of healthcare whilst focusing on building a more just equitable world this book proposes a radical imagination for nursing and presents possibilities for speculative futures embracing queer feminist posthuman and abolitionist frames Bringing together radical and emancipatory perspectives from an international selection of authors this book reflects on the realities created by the COVID 19 pandemic recognizing that

our situation is not new but the result of ongoing hegemonies and injustices The authors attend to the history of nursing and related institutions examining the assumptions ideologies and discourses that shape the discipline and its place within healthcare They explore the impact of this context on contemporary nursing and look at alternative visions for the future The final section specifically focuses on ways that we can move forward Envisioning new possibilities for nursing this innovative volume is a vital resource for practitioners scholars and students keen to promote social justice within and without nursing It is an important contribution to nursing theory philosophy and history William Blake and the Myth of America Linda Freedman,2018-07-11 This volume tells the story of William Blake s literary reception in America and suggests that ideas about Blake s poetry and personality helped shape mythopoeic visions of America from the Abolitionists to the counterculture It links high and low culture and covers poetry music theology and the novel American writers have turned to Blake to rediscover the symbolic meaning of their country in times of cataclysmic change terror and hope Blake entered American society when slavery was rife and civil war threatened the fragile experiment of democracy He found his moment in the mid twentieth century counterculture as left wing Americans took refuge in the arts at a time of increasingly reactionary conservatism vicious racism pervasive sexism dangerous nuclear competition and an increasingly unpopular war in Vietnam the fires of Orc raging against the systems of Urizen Blake s America as a symbol of cyclical hope and despair influenced many Americans who saw themselves as continuing the task of prophecy and vision Blakean forms of bardic song aphorism prophecy and lament became particularly relevant to a literary tradition which centralised the relationship between aspiration and experience His interrogations of power and privilege freedom and form resonated with Americans who repeatedly wrestled with the deep ironies of new world symbolism and sought to renew a Whitmanesque ideal of democracy through affection and openness towards alterity Rewriting American Identity in the Fiction and Memoirs of Isabel Allende B. Craig,2013-08-20 Moving away from territorially bound narratives toward a more kinetic conceptualization of identity this book represents the first analysis of the politics of American identity within the fiction and memoirs of Isabel Allende Craig offers a radical transformation of societal frameworks through revised notions of place temporality and space **Radical Consumption: Shopping For Change In Contemporary Culture** Littler, Jo,2008-11-01 This book offers an interdisciplinary approach to examining contemporary radical consumption analyzing its possibilities and problems moralities methods of mediation and its connections to wider cultural formations of production and politics Jo Littler argues that we require a more expansive vocabulary and need to open up new approaches of enquiry in order to understand the area s many contradictions strengths and weaknesses Drawing on a number of contemporary theories terms and debates in media and cultural studies she uses a range of specific case studies to bring theory to life Radical Consumption is important reading for cultural media and sociology students Book Jacket Globalizing Intercultural Communication Kathryn Sorrells,Sachi Sekimoto,2015-01-02 Translating Theory into Practice Globalizing Intercultural Communication A Reader introduces

students to intercultural communication within the global context and equips them with the knowledge and understanding to grapple with the dynamic interconnected and complex nature of intercultural relations in the world today This reader is organized around foundational and contemporary themes of intercultural communication Each of the 14 chapters pairs an original research article explicating key topics theories or concepts with a first person narrative that brings the chapter content alive and invites students to develop and apply their knowledge of intercultural communication Each chapter s pair of readings is framed by an introduction highlighting important issues presented in the readings that are relevant to the study and practice of intercultural communication and end of chapter pedagogical features including key terms and discussion questions In addition to illuminating concepts theories and issues authors editors Kathryn Sorrells and Sachi Sekimoto focus particular attention on grounding theory in everyday experience and translating theory into practice and actions that can be taken to promote social responsibility and social justice
