Introducing American Religion Charles H. Lippy, 2009

Encyclopedia of African American Religions Larry G. Murphy, J. Gordon Melton, Gary L. Ward, 2013-11-20 Preceded by three introductory essays and a chronology of major events in black religious history from 1618 to 1991 this A Z encyclopedia includes three types of entries Biographical sketches of 773 African American religious leaders 341 entries on African American denominations and religious organizations including white churches with significant black memberships and educational institutions Topical articles on important aspects of African American religious life e.g African American Christians during the Colonial Era Music in the African American Church

Gods in America Charles L. Cohen, Ronald L. Numbers, 2013-09-19 Religious pluralism has characterized America almost from its seventeenth century inception but the past half century or so has witnessed wholesale changes in the religious landscape Gods in America brings together leading scholars from a variety of disciplines to explain the historical roots of these phenomena and assess their impact on modern American society

Asian American Religions Tony Carnes, Fenggang Yang, 2004-05 Redraws old definitions of what it

means to be religious and Asian American *The Blackwell Companion to Religion in America* Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment

A Documentary History of Religion in America Edwin S. Gaustad, Mark A. Noll, Heath W. Carter, 2018-07-31 Up to date one volume edition of a standard text For decades students and scholars have turned to the two volume Documentary History of Religion in America for access to the most significant primary sources relating to American religious history from the sixteenth century to the present This fourth edition published in a single volume for the first time has been updated and condensed allowing instructors to more easily cover the material in a single semester With more than a hundred illustrations and a rich array of primary documents ranging from the letters and accounts of early colonists to tweets and transcripts from the 2016 presidential election this volume remains an essential text for readers who want to encounter firsthand the astonishing scope of religious belief and practice in American history

Religion in America: A Very Short Introduction Timothy Beal, 2008-07-29 It's hard to think of a single aspect of American culture past or present in which religion has not played a major role The roles religion plays moreover become more bewilderingly complex and diverse every day For all those who want whether out of curiosity necessity or civic duty a vivid picture and fuller understanding of the current reality of religion in America this Very Short Introduction is the go to book they need Timothy Beal describes many aspects of religion in contemporary America that are typically ignored in other books on the subject including religion in popular culture and counter cultural groups the growing phenomenon of hybrid religious identities both individual and collective the expanding numbers of new religious movements or NRMs in America and interesting examples of outsider religion such as Paradise Gardens in Georgia and the People Love People House of God in Ohio He also offers an engaging overview of the history of religion in America from Native American traditions to the present day Beal sees three major forces shaping the present and future of religion in America first unprecedented religious diversity which will continue to grow in the decades to come second the information revolution and the emergence of a new network society and third the rise of consumer culture Taken together these forces offer the potential to create a new American pluralism that would enrich society in unimaginable ways but they also threaten the great ideal of *e pluribus unum* With visual aids that help readers navigate America's diverse religious landscape this informative thoughtful and provocative book is a must read in the

emerging public conversation concerning religion in America About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life s most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

Boricua Muslims Ken Chitwood,2025-10-14 The stories and struggles of Puerto Rican Muslims in modern day America Among Puerto Rican converts to Islam marginalization is a fact of daily life Their authenticity is questioned by other Muslims and by fellow Bor cua on the island and in the United States At the same time they exist under the shadow of US colonization and as Muslims in the context of American empire To be a Puerto Rican Muslim then is to negotiate identity at numerous intersections of diversity and difference Drawing on years of ethnographic research and more than a hundred interviews conducted in Puerto Rico New York Florida Texas New Jersey and online Ken Chitwood tells the story of Puerto Rican Muslims as they construct a shared sense of peoplehood through everyday practices Bor cua Muslims thus provides a study of cosmopolitanism not as a political ideal but as a mundane social reality a reality that complicates scholarly and public conversations about race ethnicity and religion in the Americas Expanding the geography of global Islam and recasting the relationship between religion and Puerto Rican culture Bor cua Muslims is an insightful reckoning with the manifold entanglements of identity amid late modern globalization

A Nation of Religions Stephen Prothero,2007-09-06 The United States has long been described as a nation of immigrants but it is also a nation of religions in which Muslims and Methodists Buddhists and Baptists live and work side by side This book explores that nation of religions focusing on how four recently arrived religious communities Muslims Buddhists Hindus and Sikhs are shaping and in turn shaped by American values For a generation scholars have been documenting how the landmark legislation that loosened immigration restrictions in 1965 catalyzed the development of the United States as a nation of Buddhists Confucianists and Taoists as well as Christians as Supreme Court Justice Tom Clark put it The contributors to this volume take U S religious diversity not as a proposition to be proved but as the truism it has become Essays address not whether the United States is a Christian or a multireligious nation clearly it is both but how religious diversity is changing the public values rites and institutions of the nation and how those values rites and institutions are affecting religions centuries old yet relatively new in America This conversation makes an important contribution to the intensifying public debate about the appropriate role of religion in American politics and society Contributors Ihsan Bagby University of Kentucky Courtney Bender Columbia University Stephen Dawson Forest Virginia David Franz University of Virginia Hien Duc Do San Jose State University James Davison Hunter University of Virginia Prema A Kurien Syracuse University Gurinder Singh Mann University of California Santa Barbara Vasudha Narayanan University of Florida Stephen Prothero Boston University Omid Safi Colgate University Jennifer Snow Pasadena California Robert A F Thurman Columbia University R Stephen Warner University of Illinois at Chicago Duncan Ryken Williams University of California Berkeley
