Armando José Prats

American Sniper Running Time:

Hollywood's Imperial Wars Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in Hollywood s Imperial Wars The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood s earlier representations of Americans at war from the mythic heroism of a film like Sands of Iwo Jima to the rupture of that myth in films such as The Deer Hunter Apocalypse Now and Platoon As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats s analysis were forever altered by the loss in Vietnam Even movies like American Sniper that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts [Accurate as an American Sniper - US Military Handbooks](#) U.S. Department of Defense, 2024-01-15 In Accurate as an American Sniper US Military Handbooks the U S Department of Defense presents a comprehensive guide that delves into the intricacies of military marksmanship and sniper training The book is structured to reflect a blend of practical instruction and theoretical underpinning drawing on the rigorous standards and techniques developed by elite military units With a focus on precision the text provides insights into equipment situational awareness and the mental discipline required of snipers in high stress environments all articulated in a direct and accessible style that reflects the operational contexts it addresses The U S Department of Defense responsible for formulating military policy and training protocols has a rich history of authoring handbooks that serve both educational and operational functions This book emerges from decades of experience advancements in military technology and evolving combat scenarios aimed at providing soldiers with the tools to succeed in critical missions The manual embodies the commitment to excellence and preparedness at the heart of U S military doctrine drawing from the wealth of knowledge accumulated through various conflicts I recommend Accurate as an American Sniper to both military personnel seeking to refine their skills and civilians interested in gaining a deeper understanding of military sniping and marksmanship This book

is not only a technical manual it is a testament to the precision and discipline that define the art of military sniping

Modern American Snipers Chris Martin, 2014-12-16 An inside look at today's special operations sniper and an in depth look at the career of Chris Kyle from those who knew him and fought alongside him Most people think of snipers as shooters perched in urban hides dealing out death unseen from a considerable distance But this description barely scratches the surface Special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren't pulling the trigger Snipers have played an outsized role in the War on Terror that has earned them the Medal of Honor Navy Cross and countless other honors These are the most experienced warriors on the battlefield oftentimes the unit's best assaulters with years of door kicking under their belt These are the men who run ops in small teams across borders or dress like locals and pull off high risk vehicle reconnaissance and singleton missions in non permissive environments Chris Martin's *Modern American Snipers* tells the inside story of some of the most heroic patriots in recent American history by the friends and colleagues who knew them best including The Legend Chris Kyle SEAL Team 3 Chief and the most lethal sniper in U.S. military history The Reaper Nick Irving the first African American to serve as a sniper in the 3rd Ranger Battalion and its deadliest with 33 confirmed kills Robert Horrigan Delta sniper who played a critical role in Operation Anaconda Don Hollenbaugh Delta Operator who earned the Distinguished Service Cross while embedded with a Marine platoon in the First Battle of Fallujah And many more

American Cinema of the 2010s Dennis Bingham, 2021-12-10 The 2010s might be remembered as a time of increased polarization in American life The decade contained both the Obama era and the Trump era and as the nation's political fissures widened so did the gap between the haves and have nots Hollywood reflected these divisions choosing to concentrate on big franchise blockbusters at the expense of mid budget films while new players like Netflix and Amazon offered fresh opportunities for low budget and independent filmmakers As the movie business changed films ranging from *American Sniper* to *Get Out* found ways to speak to the concerns of a divided nation The newest installment in the Screen Decades series *American Cinema in the 2010s* takes a close look at the memorable movies visionary filmmakers and behind the scenes drama that made this decade such an exciting time to be a moviegoer Each chapter offers an in depth examination of a specific year covering a wide variety of films from blockbuster superhero movies like *Black Panther* and animated films like *Frozen* to smaller budget biopics like *I, Tonya* and horror films like *Hereditary* This volume introduces readers to a decade in which established auteurs like Quentin Tarantino were joined by an exceptionally diverse set of new talents taking American cinema in new directions

Through the Crosshairs Roger Stahl, 2018-06-21 Now that it has become so commonplace we rarely blink an eye at camera footage framed by the crosshairs of a sniper's gun or from the perspective of a descending smart bomb But how did this weaponized gaze become the norm for depicting war and how has it influenced public perceptions *Through the Crosshairs* traces the genealogy of this weapon's eye view across a wide range of genres including news reports military public relations images action movies video games and

social media posts As he tracks how gun camera footage has spilled from the battlefield onto the screens of everyday civilian life Roger Stahl exposes how this raw video is carefully curated and edited to promote identification with military weaponry rather than with the targeted victims He reveals how the weaponized gaze is not only a powerful propagandistic frame but also a prime site of struggle over the representation of state violence

The Postnormal Times Reader Ziauddin Sardar, 2019-01-01 IIIT Books In Brief Series is a valuable collection of the Institute's key publications written in condensed form to give readers a core understanding of the main contents of the original Postnormal times are best defined as an in between period where old orthodoxies are dying new ones have yet to be born and very few things seem to make sense or as Ezio Mauro puts it we are hanging between the no longer and the not yet and thus we are necessarily unstable nothing around us is fixed not even our direction of travel The postnormal times theory attempts to make sense of a rapidly changing world where uncertainty is the dominant theme and ignorance has become a valuable community The Postnormal Times Reader is a pioneering anthology of writings on the contradictory complex and chaotic nature of our era It covers the origins theory and methods of postnormal times and examines a host of issues ranging from climate change governance Middle East to religion and science from the perspective of postnormal times By mapping some of the key local and global issues of our transitional age the Reader suggests a way of navigating our turbulent futures

Det One John P. Piedmont, 2010 From the Foreword The story of the Marine Corps U S Special Operations Command Detachment which became known as Det One is an extraordinary tale On its face the story would not rate a minute s glance One small group of Marines about a hundred in number formed trained and went to war This all happened as the nation was 18 months into the Global War on Terrorism and as the Marine Corps was deploying I Marine Expeditionary Force in Operation Iraqi Freedom Yet the story behind the basic facts is not only far more intricate and fascinating with dramatic episodes and intrepid characters from the Pentagon to Camp Pendleton it portended great significance for the Marine Corps What makes the Det One story extraordinary is the shift in Marine Corps policy that brought it about the maturation of the special operations capabilities of forward deployed Marine expeditionary units that made it possible and the patriotism valor fidelity and abilities of the Marines and Navy Corpsmen who manned it Although Det One has passed now into the history books its legacy survives in the formation of Marine Corps Special Operations Command and in the lessons learned and experiences of its members who now continue to serve in dozens of units

Lieutenant Colonel John P Piedmont Marine Field Historian in Iraq in April 2004 saw the historical significance of Det One and decided to pursue its history as a project Under the director of the History and Museums Division at the time Colonel John W Ripley he was given permission to proceed with his collections with a view toward turning them into a monograph What follows here is the culmination of his efforts the product of two years work more than 60 interviews done in Iraq Washington D C Virginia and California and the collection of hundreds of documents Dr Charles P Neimeyer Super Snipers Soldier of Fortune Magazine Editors, 2013-10-08 In Super Snipers the editors of Soldier of Fortune show readers the

ways of the expert sniper in forty stories from those who have mastered the craft Becoming an elite sniper involves more than learning how to shoot Snipers need to know how to judge terrain wind and sometimes even the curve of the Earth They train their eyes to spot enemy movement in the distance and to never hesitate A sniper is more than a finger behind a trigger he is a scout a scientist a strategist and the support group for a platoon Super Snipers brings you into the world of some of the most accomplished snipers From Finland to Iraq Korea to Somalia Soldier of Fortune Magazine provides forty stories directly from the eyes and minds of the snipers who made the kills These trained marksmen describe their method of calculating aiming and taking the perfect shot all the way down to the type of chewing tobacco they prefer Some of the super snipers in this collection include Chris Kyle American Sniper Major Charles Greene Sergeant Dan Mills Gunnery Sergeant Jack Coughlin Robert K Brown And many more Every sniper just like every situation that calls for a sniper is unique and Super Snipers will show you every step of the way as you find the target narrow the scope and take the shot *May I Kill?* Jeffrey K. Mann, 2018-09-28 Today we live in a world where we are less exposed to violence than at any other time in history However we also know that violence can come knocking on our door at any moment Preparing for this possibility means more than physical safety it means being clear with ourselves about the ethics of violence Can violence be justified When should we fight How should we fight And in situations when things have gone badly may we kill These questions are not only for politicians soldiers and police officers but are also important considerations for civilians whose lives do not normally intersect with violence Whether advocating for government policies marching in the streets or defending ourselves and loved ones a coherent moral framework is essential to good decision making May I Kill examines the efficacy of different approaches to non violence and Just War Theory By scrutinizing these ethical theories the reader is encouraged to critically examine occasions for the use of force from a moral perspective whether nations at war or violent encounters in our own neighborhoods We may then determine how best to develop ourselves body mind and spirit to respond effectively and make the world a safer place *The Operating System* Eric Laursen, 2021-05-04 What do we mean when we talk about the State Multiple polls show a growing disillusionment with the State and representative government as vehicles for progressive change and particularly as means to tame capitalism let alone as a basis for seeing beyond it In a quick and readable format Eric Laursen proposes thinking about the State in an entirely new way not simply as government or legal institutions but as humanity's analog to a computer operating system opening up a new interpretation of the system of governance that emerged in Europe five hundred years ago and now drives almost every aspect of human society He also demonstrates powerfully why humanity's life and death challenges including racism climate change and rising economic exploitation cannot be addressed as long as the State continues to exercise dominion *Seven Deadly Wonders* Matthew Reilly, 2006 The United States the European Union Israel terrorists and a coalition of seven smaller nations search for the Golden Capstone in order to place it on top of the Great Pyramid at the next Tartarus Rotation and gain global dominance **The Films of**

Clint Eastwood Matt Wanat, Leonard Engel, 2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood's 2014 American Sniper a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood's body of cinematic work As a collection these essays show that none of these themes account for Eastwood's entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives Government Zero Michael Savage, 2015-10-27 From bestselling author of Stop the Coming Civil War Michael Savage reveals the massive dangers currently leading to the demise of our government Michael Savage has been warning Americans for decades and now it's here In GOVERNMENT ZERO No Borders No Language No Culture Savage sounds the alarm about how progressives and radical Islamists are each unwittingly working towards similar ends to destroy Western Civilization and remake it in their own respective images These two dark forces are transforming our once free republic into a socialist Third World dictatorship ruled by Government Zero absolute government and zero representation Combining in depth analysis with biting commentary Savage cuts through mainstream media propaganda to reveal an all out attack on our borders language and culture by progressive travelers who have hijacked public policy from national defense to immigration to public education Find out everything you need to know about this terrifying agenda to weaken the U S military cripple the American economy subvert basic American liberties such as freedom of speech and destroy the international world order There is no time to lose The Progressive Islamist agenda has advanced into every public space from the White House to the military to your local public school If America is to survive it has to be stopped Michael Savage has a plan Get the inside story before it's too late Empires, Men, and God Donald E. Forga, 2020-05-15 Book Delisted *Guys Like Me* Michael A. Messner, 2020-12-18 Guys Like Me introduces us to five ordinary veterans from different generations who have done extraordinary work as peace activists Michael A Messner reveals how the horror and trauma of the battlefield motivated onetime warriors to reconcile with former enemies crusade for justice and heal themselves and others **The Greatest Stories Never Told: Snipers** Laurence J. Yadon, 2019-05-01 The Greatest Stories Never Told Snipers is an unforgettable collection of heart stopping stories of well known contemporary American snipers but focuses primarily upon other practitioners of the silent art who few contemporary readers in this genre have encountered before They begin in south central France at the dawn of the Thirteenth Century and end in our present era of modern warfare They include stories from the Civil War the Great War World War II Korea Vietnam Afghanistan and Iraq and more
