Patterson's Guide to Reloading Basics Neal Patterson,2017-03-13 Patterson s *Guide to Reloading Basics* Practical Ammo Reloading Guide for Shooter s The cost of ammo goes up over time If you are on a budget and practice shooting often than you know it cost a big chunk of money to keep buying ammo for your practice What if you can reuse the shells and make your own ammo Would that save money Sure it would but there is a learning curve that you have to overcome first You will need to learn how to reload and do it safely and appropriately so no one gets injured or harmed in the process The actual process of reloading is never simple as 1 2 3 if it was I am sure you won t need to buy a book to learn how to do it The process is delicate time consuming but the reward and savings are truly great For me the enjoyment of reloading my own shells and the satisfaction of accuracy I achieve outweighs everything else I am sure once you get started you will enjoy and the same satisfactions as well I shared a lot of images and YouTube videos in this book I did that to give you a visual and mental view of the process along with words Sometimes reading a process from a book can be confusing but when you see an image or

watch a video of that same process being done on the screen it becomes much easier to understand then follow and duplicate the process My goal in this book is to teach you the very basics of reloading along with all the safety measures you need to take and practice this way the job is done properly and done right In This Book I Show You How to The Basics of Reloading Benefits of Reloading What equipment you need What kind of Press to use Basics of cartridges Types of bullets What Powder to use What Primers to use Reloading Step by Step How to inspect cases How to clean your cases How to lubricate your cases How to resize How to do trimming priming and Crimping Short shell reloading Proper care and maintenance Enjoy reloading *Ammo and Ballistics* Bob Forker,2000 All you ever needed to know about ammunition has finally been collected in one volume
