Discover the key that can strengthen beliefs, to change behavior, lessen your day-to-day stress level, increase your security in an insecure world, help you raise your kids with a right perspective on life, increase your love for and trust in God. Many Christians today live their lives, plan their schedules, and use their resources completely disconnected from what they say they believe. This spiritual disconnect is the cause of so much of the stress and problems in our lives. Foundations is a fresh, innovative curriculum about the essential truths of the Christian faith and how these truths are to be lived out in your relationships, your character, and your work. Rather than just teaching doctrinal knowledge, this course shows you how to apply biblical truths and implement them in your everyday life. 1 The Bible 2 God 3 Jesus 4 The Holy Spirit 5 Creation 6 Salvation 7 Sanctification 8 Good and Evil 9 The Afterlife 10 The Church 11 The Second Coming ***The Everything Guide to Evidence of the Afterlife*** Joseph M. Higgins, Chuck Bergman, 2011-02-14 Is there life after death? Or is the end of our physical existence really the end of us? In this thought-provoking guide, you will examine scientific evidence so you can decide for yourself whether or not there is an afterlife. Psychic Cop Chuck Bergman and medium Joseph Higgins attempt to answer questions like: Does consciousness survive death? Is communication possible between the living and the dead? Are mediums real or frauds? What happens to us during near-death experiences? Where do we go when we die? Are Heaven and Hell actualities? What is life like after death? Is reincarnation real, and is everyone reincarnated? Including an overview of various religious afterlife traditions, this guide introduces you to the unlimited possibilities of what we face after our release from the physical world. ***Student Study Guide to The Ancient Egyptian World*** Eric H.
