A Sherlock Holmes Devotional Uncovering The Mysteries Of God:

A Sherlock Holmes Devotional Trisha Priebe, 2015-07-01 After a century Sherlock Holmes mysteries still fascinate us and this devotional will delight you with spiritual truths drawn from the pages of the classic detective stories A Sherlock Holmes Devotional contains 60 entries drawn from the characters stories and events of the Holmes canon From 221b Baker Street to Reichenbach Falls from Irene Adler to the evil Dr Moriarty from the pipe to the violin this book investigates the spiritual truths we can discern from this enigmatic fictional character a brusque stubborn and arrogant man who also shows honor trust and self sacrificing friendship It s a fascinating read for fans of the series or those yet to meet the great detective

The Glass Castle Trisha Priebe, Jerry B. Jenkins, 2016-03-01 You ll love joining Avery in the adventures of The Glass Castle where the setting from The Chronicles of Narnia meets the action from Alice in Wonderland Avery dragged her three year old brother behind a boxwood bush and listened for footsteps in the brittle leaves She couldn t be sure which was louder the person on their trail or her own heart galloping like a stallion in her ears With one hand over Henry s mouth Avery looked down at the nicest dress she owned Not only had she torn the ruffles and destroyed the hem but the white linen stood out in the shadowy woods making her an easy target If she survived this afternoon and made it home tonight and that felt like a giant if her father would demand to know why her dress was stained with grass and mud and tinged with blood She would tell him the truth The king is growing old and is concerned about who will replace him His new wife wants to produce an heir to the throne The only problem Thirteen years ago the king s first wife gave birth to a son and no one knows for sure what happened to him Rumors swirl throughout the castle For the new queen the solution as simple dispose of all the thirteen year olds in the kingdom Except it isn t that easy Avery and her friends won t go quietly Avery Kate Tuck and Kendrick take charge of the underground network of kidnapped children inspiring them to believe that their past does not dictate their future and pledging to do the hardest thing of all reunite the children with the homes they left behind When they discover that one among them might be the child of a man who wants them dead will everything they work for be lost The Glass Castle is Book 1 of the Thirteen series Look for The Ruby Moon Book 2 The Paper Boat Book 3

The Critical Reception of Sir Arthur Conan Doyle Laurence W. Mazzeno, 2023 Examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their adaptations and also attending to the wide range of his published work Twenty first century readers television viewers and moviegoers know Arthur Conan Doyle as the creator of Sherlock Holmes the world s most recognizable fictional detective Holmes s enduring popularity has kept Conan Doyle in the public eye However Holmes has taken on a life of his own generating a steady stream of critical commentary while Conan Doyle s other works are slighted or ignored Yet the Holmes stories make up only a small portion of Conan Doyle s published work which includes mainstream and historical fiction history drama medical spiritualist and political tracts and even essays on photography When Doyle published whatever the subject his contemporaries took note Yet outside of the fiction featuring

Sherlock Holmes until recently relatively little has been done to analyze the reception Conan Doyle's work received during his lifetime and since his death This book examines both academic and popular assessments of Conan Doyle's work giving pride of place to the Holmes stories and their many adaptations for print visual and online media but attending to his other contributions to turn of the twentieth century culture as well The availability of periodicals and newspapers online makes it possible to develop an assessment of Conan Doyle's and Sherlock Holmes's reputation among a wider readership and viewership thus allowing for development of a broader and more accurate portrait of Doyle's place in literary and cultural history
