*Mastering the Nikon COOLPIX A* by Darrell Young provides experience based information for owners of the new COOLPIX A camera. In this ebook Darrell helps the user navigate past the confusion that often comes with learning to use complex camera equipment. This ebook explores the features and capabilities of the camera in a way that far surpasses the user's manual. It includes an in depth look at the camera's controls and functions. It guides readers through the camera features with step by step setting adjustments, color illustrations and detailed explanations for each option. Every button, dial and menu configuration setting is explored in a user friendly manner with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions. In this new COOLPIX A manual Darrell provides information on the camera's functions as well as basic photography techniques as part of the complete learning experience.
