A Social History of the Third Reich Richard Grunberger,1991 Hitler s Germany was horrific yet along with the violence the corruption the persecution the ever present Party and the cult of the Fuehrer a ghastly imitation of ordinary life went on How did people talk during the Third Reich What films could you see What political jokes did they tell Did Nazi ranting about the role of women correspond with reality And what was the impact of the regime on farmers and the family the Churches and civil services health care education justice the army and the arts The author offers brief accounts of the collapse of the Weimar Republic and the treatment of the Jews but his main aim is to capture the unique nightmarish flavour and texture of the times *The Social History of the Third Reich, 1933-1945* Pierre Ayçoberry,2000 Examines all aspects of German life under Hitler including the roles that economics and social class played in shaping German life during the Third Reich Reprint

A Social History of the Third Reich ,1971 A Social History of the Third Reich ,1996 **A Social History of The Third Reich** Richard Grunberger,2013-04-11 One of the most devastating portraits ever drawn of a human society life in Hitler s Germany during the Third Reich The Nazis developed a social system unprecedented in history It was rigidly hierarchical with the seemingly beneficent and ascetic figure of Hitler at the top focus for the homage and aspirations of every man woman and child How did the ordinary citizen live under such a system The author discusses such subjects as beauty in the Third Reich no cosmetics no slimming as well as charting how you progressed to the elite Nazi cadres administrators propagandists or coercers It shows childhood with the Hitler Youth and describes the intense medieval ritual injected into every phase of life from school and university to farm labour It shows life in the office in industry in the professions doctors lawyers artists and in the Nazi Party itself Finally it documents what happened at the two extremes of German society to the aristocrats and to the Jews The Third Reich D.
