EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

**State Intimacies** Eva Fiks,2024-04-01 The public healthcare system in rural India is chronically under resourced It embodies and often perpetuates the wider politics of the Indian state towards its rural communities with provisions of care that are deeply entangled with violence and disgust For rural women such care deepens reproductive chronicity while providing temporary relief Grounded in women s everyday realities and experiences in sterilization camps and other healthcare settings in rural Rajasthan State Intimacies examines the mundane workings ambiguities and fragilities of care in post colonial rural North India      **Family Healthcare Education** Mr. Rohit Manglik,2023-08-23

Healthcare education for families Covers preventive care health literacy and wellness programs preparing students to promote family health and well being      **Health and Development** Mr. Rohit Manglik,2024-03-28

EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels      *Stakeholder Strategies for Reducing the Impact of Global Health Crises* Kumar, Vikas,Malhotra, Geetika,2021-06-11 A global health crisis creates great uncertainty high stress and anxiety within society During such a crisis when information is unavailable or inconsistent and when people feel unsure of what they know or what anyone knows behavioral science indicates an increased human desire for transparency direction and meaning of what has happened At such a time the roles of stakeholders that emerge with their words and actions can help keep people safe help them cope with emotions and ultimately bring their experience into context leading to meaningful results But as this crisis shifts beyond public health and workplace safety there are implications for business continuity job loss and radically different ways of working While some may already seek meaning from the crisis and move towards the next normal others feel a growing uncertainty and are worried about the future Therefore it is important to analyze the role of stakeholders during these uncertain times Stakeholder Strategies for Reducing the Impact of Global Health Crises provides a

comprehensive resource on stakeholder action and strategies to deal with crises by analyzing the needs of society during global health crises how stakeholders should communicate and how resilience and peace can be promoted in times of chaos The chapters cover the roles of stakeholders during a pandemic spanning from the government and international development agencies to industry and non government organizations community based organizations and more This book not only highlights the responsibilities of each of the stakeholders but also showcases the best practices seen during the COVID 19 pandemic through existing theories and case studies This book is intended for researchers in the fields of sociology political science public administration mass media and communication crisis and disaster management and more along with government officials policymakers medical agencies executives managers medical professionals practitioners stakeholders academicians and students interested in the role of stakeholders during global health crises

**Social Sector Spending, Governance and Economic Development** Ramesh Chandra Das,2023-02-20 Economic development depends heavily on the growth of social sectors like education healthcare gender equality as well as factors like income consumption investment and trade This book examines the interlinkages between development good governance and spending on social growth The book focuses on different areas of social growth public welfare and poverty reduction including managing human resources corruption in public institutions and public spaces as well as health and welfare measures The chapters in the volume highlight the role of government interventions in boosting human development particularly in developing countries in Asia and Africa and many developed countries in the post COVID scenario The book also examines the foundations of government spending on development and effective governance while underlining the impact which social growth has on the economy Rich in theoretical and empirical perspectives this book will be useful for students and researchers of economics sociology political studies public finance development studies as well as for policymakers and think tanks working in the areas of human development

*Information Communication Technology and Economic Development* Tojo Joseph Thatchenkery,Roger Stough,2006-01-01 Information Communication Technology and Economic Development provides a quick and broad overview of the Indian ICT sector With its exhaustive examination of the business management and industrial organisation of the ICT sector it is a particularly useful tool for any researcher or policy analyst interested in a thorough analysis of the mechanics of the sector and the Indian context within which it operates Syud Amer Ahmed Papers in Regional Science India has become a highly visible participant in the information communication technology ICT industry Since the 1990s it has been one of the fastest growing economies in the world emerging as the most watched test of global capitalism The contributors to this volume examine how the ICT driven development of India appears to have skipped the middle stages of the traditional economic development models and leapfrogged directly to the final stage whereby growth is mostly technologically driven Information Communication Technology and Economic Development reveals new insights regarding the complex process of globalization It shows how the generation and circulation of intellectual capital in the US

and India in ICT have led to greater productivity in the US while facilitating the economic development of India Most industrialized nations now see the vast intellectual capital based services that India provides at extremely competitive rates as key to their own national competitiveness in the global arena The contributors findings suggest that India s ICT led growth will accelerate in the next ten years launching India as a major global economic power next to the US and China This provocative and timely volume will be a necessary read for students and scholars of international business public policy economic development management and strategy as well as all those interested in the impact of globalization on national and regional economies      *Economics of Health Care Services in Tamil Nadu* N. Manonmoney,2008 With reference to

Virudhunagar District in Tamil Nadu India      **Tobacco Cessation** Rajmohan Panda,Manu Raj Mathur,2019-11-15 Cessation of tobacco use is the need of the hour given that it is the single largest cause of disease and premature death in the world This book covers epidemiology and risks user classification nicotine replacement therapy pharmacological aids behavioral modification and patient counseling techniques along with personalized action plan development Key Features Covers all aspect of tobacco cessation Provides guidance on differential diagnosis and includes useful decision making flowcharts Provides step by step guidance to counsel tobacco users in routine clinical practice Discusses the process of setting up a cessation centre Facilitates in depth understanding of the subject through case studies at the end of each chapter
