What Trouble I Have Seen David Peterson del Mar,2009-07-01 It was 1869 and Sarah Moses with a very black eye told her father The world will never know what trouble I have seen What she d seen was violence at the hands of her husband Does the world know any more of such things today than it did in Sarah s time Sarah it so happens lived in Oregon that Edenic state on the Pacific Coast and it is here that David

Peterson del Mar centers his history of violence against wives What causes such violence Has it changed over time How does it relate to the state of society as a whole And how have women tried to stop it resist it escape it These are the questions Peterson del Mar pursues and the answers he finds are as fascinating as they are disturbing Thousands of thickly documented divorce cases from the Oregon circuit courts let us listen to voices who often go unheard These are the people who didn't keep diaries or leave autobiographies who sometimes could not write at all Here they speak of a society that quietly condoned wife beating until the spread of an ethos of self restraint in the late nineteenth century And then Peterson del Mar finds the practice increased with a vengeance with the florescence of expressive individualism during the twentieth century What Trouble I Have Seen also traces a dramatic shift in wives response to their husbands violence Settler and Native American women commonly fought abusive mates Most wives of the late nineteenth century acted more cautiously and relied on others for protection But twentieth century privatism Peterson del Mar discovers often isolated modern wives from family and neighbors casting abused women on the mercy of the police women's shelters and most important their own resources Thus a new emphasis on self determination even as it stimulated violence among men enhanced the ability of women to resist and escape violent husbands The first sustained history of violence toward wives What Trouble I Have Seen offers remarkable testimony to the impact of social trends on the most private arrangements and the resilience of women subject to a seemingly timeless crime

**History, Violence, and the Hyperreal** Kathryn Everly, 2010 What does literature reveal about a country's changing cultural identity In History Violence and the Hyperreal by Kathryn Everly this question is applied to the contemporary novel in Spain In the process similarities emerge among novels that embrace apparent differences in style structure and language Contemporary Spanish authors are rethinking the way the novel with its narrative powers can define a specific cultural identity Recent Spanish novels by Carme Riera Dulce Chacón Javier Cercas Ray Loriga Lucía Etxebarria and José Ángel Manas published from 1995 to 2008 particularly highlight the tension that exists between historical memory and urban youth culture The novels discussed in this study reconfigure the individual's relationship to narrative history and reality through their varied interpretations of Spanish history with its common threads of national and personal violence In these books culture acts as mediator between the individual and the rapidly changing dynamic of contemporary society The authors experiment with the novel form to challenge fundamental concepts of identity when the narrative acknowledges more than one way of reading and understanding history violence and reality In Spain today questions of historical accuracy in all foundational fictions such as the Inquisition the Spanish Civil War or globalization collide with the urgency to modernize The result is a clash between regional and global identities Seemingly disparate works of historical fiction and Generation X narrative prove similar in the way they deal with history reality and the delicate relationship between writer and reader

**Perpetrators of Mass Atrocities** Alette Smeulers, 2023-12-22 The 9/11 attacks as well as the ones in Madrid London Paris and Brussels the genocides in Nazi Germany Rwanda and Cambodia the torture in

dictatorial regimes the wars in former Yugoslavia Syria and Iraq and currently in Ukraine the sexual violence during periods of conflict all make us wonder why would anyone do something like that Who are these people Drawing on 30 years of research in this book Alette Smeulers explores the perpetrators of mass atrocities such as war crimes crimes against humanity genocide and terrorism Examining questions of why people kill and torture and how mass atrocities can be explained Smeulers presents a typology of perpetrators with different ranks roles and motives Devoting one chapter to each type of perpetrator the book combines insights from academic research with illustrative case studies of well known perpetrators from dictators to middlemen to lower ranking officials and terrorists Their stories are explored in depth as the book examines their behaviour and motivation Perpetrators of Mass Atrocities thus provides a comprehensive understanding of the causes of extreme mass violence Such knowledge not only can help the international criminal justice system to be able to attribute blame in a fairer way but can also assist in preventing such atrocities being committed on the current scale Perpetrators of Mass Atrocities is essential reading for all those interested in war crimes genocide terrorism and mass violence

"X-Men" Films , *Cicatrices* Jeffrey Browitt,2019-11-01 *Cicatrices* offers an understanding of the current mood in Central American fiction as writers attempt to come to terms with a collapsing social political and economic landscape dominated by forced migration drug trafficking corruption and the struggle to establish fully democratic societies Writers adopt various narrative strategies to account for this in fictional form most typically the crime novel cum critical realism and the political thriller but also a kind of impressionist realism as well as auto fiction and fictional testimony Thematic unity is provided by displacement in all its guises and the inability to leave behind a problematic past that bleeds into the present scars that wont heal This fiction speaks of existential crisis in a context of social precarity and lack of opportunity a legacy of civil war and neoliberal adjustment as Central Americans seek fulfillment through migration and nomadism Whether external or internal self imposed or forced migration brings in train mal adaptation to new worlds and a poetics of loss and solitude An atmosphere of survival exhaustion dissipation and decay in both a physical and a moral sense dominates but also rays of hope a sober reckoning the morning after *Cicatrices* is a mix of young and older male and female authors of novels and short stories spread across five Central American countries Guatemala Nicaragua El Salvador Costa Rica and Honduras *Cicatrices* is an essential collection for any reader wishing to get a sense of the direction and quality of current Central American fiction as it engages with the problems of the region

**The History of British Women's Writing, 1945-1975** Clare Hanson,Susan Watkins,2017-09-14 This volume reshapes our understanding of British literary culture from 1945 1975 by exploring the richness and diversity of women s writing of this period Essays by leading scholars reveal the range and intensity of women writers engagement with post war transformations including the founding of the Welfare State the gradual liberalization of attitudes to gender and sexuality and the reconfiguration of Britain and the empire in the context of the Cold War Attending closely to the politics of form the sixteen essays range across literary middlebrow

and popular genres including espionage thrillers and historical fiction children s literature and science fiction as well as poetry drama and journalism They examine issues including realism and experimentalism education class and politics the emergence of second wave feminism responses to the Holocaust and mass migration and diaspora The volume offers an exciting reassessment of women s writing at a time of radical social change and rapid cultural expansion

**The Way That Lives in the Heart** Jean Elizabeth DeBernardi,2006 The Way That Lives in the Heart is a richly detailed ethnographic analysis of the practice of Chinese religion in the modern multicultural Southeast Asian city of Penang Malaysia The book conveys both an understanding of shared religious practices and orientations and a sense of how individual men and women imagine represent and transform popular religious practices within the time and space of their own lives This work is original in three ways First the author investigates Penang Chinese religious practice as a total field of religious practice suggesting ways in which the religious culture including spirit mediumship has been transformed in the conjuncture with modernity Second the book emphasizes the way in which socially marginal spirit mediums use a religious anti language and unique religious rituals to set themselves apart from mainstream society Third the study investigates Penang Chinese religion as the product of a specific history rather than presenting an overgeneralized overview that claims to represent a single Chinese religion

**The History of Mental Illness in Criminal Cases: The English Tradition** Jane Moriarty,2013-12-16 Whether the accused is competent to stand trial whether the plaintiff is competent to accuse or whether a witness is competent to testify has had a long legal history Such questions draw legal reasoning into areas of ethical reflection and scientific debate deeply rooted in the moral history of the United States Mental competence has come to play a central and controversial role in proving guilt and in evaluating the severity of a crime and its corresponding punishment This compendium brings together the major legal precedents and legal commentaries that have defined the role of mental illness in criminal trials throughout U S history The reprint collection considers among other issues the evolution of the Supreme Court s position on the insanity defense and mental retardation how these affect one s competency to stand trial or be executed and how these affect culpability and punishment Each volume begins with an introductory essay and includes both cases and commentary Scholars as well as students will find these volumes a useful

research tool     American Mass Murderers Valrie Plaza,2015-03-02 American Mass Murderers collects nearly 700 pages of information about the most notorious killers in America as well as some of the lesser known murderers     *Colonial Violence and Monuments in Global History* Cynthia C. Prescott,Janne Lahti,2023-08-29 This book tackles the historical relationship between colonial violence and monuments in Africa Europe the Indian subcontinent North America and Australia In this volume the authors ask similar questions about monuments in each location and answer them following a parallel structure that encourages comparison highlighting common themes The chapters track the contested histories of monuments scrutinizing their narrative power and examining the violent events behind them It is both about the history of monuments and the histories the monuments are meant to commemorate It is interested in this nuanced relationship between violence monuments memory and colonial legacies the ways different facets of colonial violence conquest resistance massacres genocides internments and injustices have been commemorated or haven t been how they live in the present and how pertinent they are in the present to different peoples Legacies of colonial violence and continued reinterpretations of the past and its meanings remain very much ongoing They are still very much unsettled questions in large parts of the world Colonial Violence and Monuments in Global History will be essential reading for students scholars and researchers of political science history sociology and colonial studies The book was originally published as a special issue of the Journal of Genocide Research     Critical Perspectives on Damon Galgut Zbigniew Białas,2025-11-11 When Damon Galgut won the Man Booker Prize for his novel The Promise in 2021 he was already an established writer He had previously been shortlisted for the Booker Prize in 2003 and 2010 and had been the author of eight novels and four plays but before the success of The Promise he remained relatively unknown to the general public outside South Africa This volume is an attempt to engage an international set of specialists in postcolonial studies South African literature and in several cases established writers themselves in a debate devoted entirely to Galgut s novels This publication demonstrates that Galgut s work exceeds what readers tend to expect from post apartheid white writing Rather than offering the standard narratives of guilt despair and frustration Galgut s novels in dialogue with each other and in dialogue with cultural and philosophical trends propose a more intricate fabric The writer s diagnosis of the human condition ultimately seems to transcend the constitutive turmoil and the crises offering a vision of surprisingly and fascinatingly complex reality     *A School in Trouble* William R. Holland,2010-09-16 During and after his term as interim Central Falls superintendent in 2006 2007 Bill Holland sought answers to why some Central Falls High School students had school success while over half of their classmates failed to graduate Much can be learned from how these students survived in a chronically low achieving school located in the poorest community in the state Holland provides behind the scenes details on the issues of poverty ineffective teaching and cultural differences while also advising students parents and teachers on ways to gain greater educational success Before the book was completed a federal and state mandate unexpectedly resulted in the superintendent having to adopt a turn around model

and fire the entire high school faculty and staff an action that set off a firestorm between the school and state leadership and the American Federation of Teachers The conflict made national headlines and was mentioned by President Obama as a prime example of a last resort approach in reforming failing inner city schools
