

A woman wearing a wide-brimmed hat and a light-colored coat is walking away from the viewer on a paved path. In the background, there is a body of water, a small boat, and a large building with a tall spire in the distance. The scene is bathed in a warm, golden light.

A Star for Mrs. Blake April Smith, 2014-01 Meeting for the first time for a shared pilgrimage to France to visit the graves of their World War I soldier sons an Irish maid a chicken farmer s wife a Boston socialite a former tennis star and a librarian meet a brutally scarred journalist before confronting a shocking secret set against a lesser known historical event By the author of the FBI Special Agent Ana Grey series

That Knock at the Door Holly S. Fenelon, 2012 A blue star for each family member serving in America s military a gold star if that life was lost in defense of the nation s freedom IN WORLD WAR I the American tradition of the service flag began Families displayed a simple fabric banner with a blue star for each family member serving in the U S Armed Forces If a family member died in the nation s service a gold star covered that individual s blue star on the family service flag Not a symbol of mourning the gold star represented the family s pride and the honor and glory accorded to that individual for making the supreme sacrifice in defense of the America s freedom Soon the term gold star mother came to be used to identify and honor women who had lost a son or daughter in wartime military service Following the war as the nation focused its attention on those veterans who had returned whole in mind and body gold star mothers served as a constant reminder of the true cost of war In 1928 a group of these women formed American Gold Star Mothers Inc an organization created to honor those who had died by being of service to veterans and their families in need supporting gold star families and caring for veterans who had returned with physical emotional and psychological wounds From that humble beginning American Gold Star Mothers Inc has become an icon of national service opening its

membership time and again to gold star mothers of later wars and conflicts including Iraq and Afghanistan Their amazing legacy of service is an important yet largely unknown chapter in American history This book presents the story of gold star mothers in America and the first comprehensive history of American Gold Star Mothers Inc drawn from nearly a century of archival materials The fascinating story of the strong women who honored their fallen sons and daughters by dedicating themselves to the service of veterans and peace is both compelling and inspiring **World War Veterans' Legislation.**

What does one learn by taking a journey any journey Helen Bevington asks I ve taken a shaky trip through a decade to Russia to the mailbox to bed to the end of the 1970s about which uncomplimentary and increasingly anxious remarks were made by us all you me and the media This is a book of journeys to places Russia Hawaii Italy Yugoslavia Greece the South Seas the Rhine Australia New Zealand New Mexico and to the classroom at Duke University where she was Professor of English until her retirement in 1976 Since everything is a journey the book is concerned with travel of all kinds in books in memories in people living and dead a lighthearted search for Eden on this planet but a more serious search for survival in the troubled decade of the 1970s Publisher **Musical Maryland** David K. Hildebrand,Elizabeth M. Schaaf,2017-09-14 The only book to delve deeply into Maryland s rich musical performance history and the people who created it In Musical Maryland the first comprehensive survey of the music emanating from the Old Line State David K Hildebrand and Elizabeth M Schaaf explore the myriad ways in which music has enriched the lives of Marylanders From the drinking songs of colonial Annapolis the liturgical music of the Zion Lutheran Church and the work songs of the tobacco fields to the exuberant marches of late nineteenth century Baltimore Orioles festivals Chick Webb s mastery on drums and the triumphs of the Baltimore Opera Society this richly illustrated volume explores more than 300 years of Maryland s music history Beginning with early compositions performed in private settings and in public concerts this book touches on the development of music clubs like the Tuesday Club the Florestan Society and H L Mencken s Saturday Night Club as well as lasting institutions such as the Peabody Institute and the Baltimore Symphony Orchestra BSO Yet the soundscape also includes militia quicksteps sea chanteys and other work songs The book describes the writing of The Star Spangled Banner perhaps Maryland s single

greatest contribution to the nation's musical history. It chronicles the wide range of music created and performed by Maryland's African American musicians along Pennsylvania Avenue in racially segregated Baltimore from jazz to symphonic works. It also tells the true story of a deliberately integrated concert that the BSO staged at the end of World War II. The book is full of musical examples, engravings, paintings, drawings, and historic photographs that not only portray the composers and performers but also the places around the state in which music flourished. Illuminating sidebars by William Biehl focus on late nineteenth and early twentieth century song of the kind evoked by the USS Baltimore or inspired by the state's history, natural beauty, and romantic steamboats. The book also offers a sampling of the tunes that Maryland's more remarkable composers and performers, including Billie Holiday, Eubie Blake, and Cab Calloway, contributed to American music before the homogenization that arrived in earnest after World War II. Bringing to life not only portraits of musicians, composers, and conductors whose stories and recollections are woven into the fabric of this book but also musical scores and concert halls, *Musical Maryland* is an engaging, authoritative, and bold look at an endlessly compelling subject. **Profane Angel** Jerry Vermilye, 2023-11-23

When Carole Lombard was tragically killed in a plane crash on January 16, 1942, she was 33 years old and had been a film actress for almost 20 years, yet her best work probably still lay ahead. She had reached a career high point, earning praise for her talents as a comedienne as well as a dramatic actress. As well liked as she was on screen, she was equally popular off screen, known for being witty, uninhibited, and a great party giver. Blonde and beautiful, she reigned as the queen of Hollywood when she married Clark Gable, its king. This book offers a thorough examination of her too short life and provides information about her 78 films, including cast and credits, synopses, reviews, and comments. Photographs from her life and films complete the work. **The Lovely Mrs. Blake** Richard Marsh, 1910 **The Medium and Daybreak**, 1878
