Widow's Web Jennifer Estep,2012-08-21 The seventh book in the hugely popular Elemental Assassin series by New York Times and USA TODAY bestselling author Jennifer Estep Gin Blanco is back and ready for action I used to murder people for money but lately it s become more of a survival technique Once an assassin always an assassin So much for being plain old Gin Blanco With every lowlife in Ashland gunning for me I don t need another problem but a new one has come to town anyway Salina might seem like a sweet Southern belle but she s really a dangerous enemy whose water elemental magic can go head to head with my own Ice and Stone power Salina also has an intimate history with my lover Owen Grayson and now that she s back she thinks he s hers for the taking Salina s playing a mysterious game that involves a shady local casino owner with a surprising connection to Owen But they call me the Spider for a reason I m going to untangle her deadly scheme even if it leaves my love affair hanging by a thread *Poison Promise* Jennifer Estep,2014-07-22 In book eleven of

her New York Times bestselling Elemental Assassin series author Jennifer Estep continues one of the best urban fantasy series going on the market Fresh Fiction Gin Blanco is hard nosed sexy and lethal Nicknamed The Spider she s a stone elemental assassin who brings her unique mix of magic and tact to every assignment no matter the target There s a new drug on the streets of Ashland and its name Burn sums up the potent effect it has on its users When one of her restaurant employees is threatened by dealers of the drug Gin steps in to set things straight **Spider's Revenge** Jennifer

Estep,2011-09-27 The fifth book in the outstanding Romantic Times Elemental Assassin fantasy series featuring Gin Blaco who by day is a waitress at a Tennessee BBQ joint and by night is a tough female assassin Old habits die hard for assassins And I plan on murdering someone before the night is through Killing used to be my regular gig after all Gin Blanco aka the Spider assassin for hire And I was very very good at it Now I m ready to make the one hit that truly matters Mab Monroe the dangerous Fire elemental who murdered my family when I was thirteen Oh I don t think the mission will be easy but turns out it s a bit more problematic than expected The bitch knows I m coming for her So now I m up against the army of lethal bounty hunters Mab hired to track me down She also put a price on my baby sister s head Keeping Bria safe is my first priority Taking Mab out is a close second Good thing I ve got my powerful Ice and Stone magic and my irresistible lover Owen Grayson to watch my back This battle has been years in the making and there s a good chance I won t survive But if I m going down then Mab s coming with me no matter what I have to do to make that happen The Spider Jennifer

Estep,2013-12-24 For the first time the full origin story of Gin Blanco s transformation into the fearsome assassin known as the Spider book ten in the red hot Elemental Assassin urban fantasy series How did I end up in a career where I always have blood on my hands Well let me tell you a story about an assassin who thought she could do no wrong Ten years ago A blistering hot August night I remember like it was yesterday The night I Gin Blanco truly became the Spider Killing people is what I do best especially now that I ve honed my Ice and Stone magic But back then I had yet to learn one very important

rule arrogance will get you every single time This particular job seemed simple murder a crooked building contractor with ties to ruthless Fire elemental Mab Monroe My mentor Fletcher Lane had some misgivings but I was certain that I had the situation under control right up until I exposed my weaknesses to a merciless opponent who exploited every single one of them There s a reason assassins aren t supposed to feel anything Luckily a knife to the heart can fix that problem especially when I m the one wielding it

Deadly Sting Jennifer Estep,2013-03-26 The eighth hotly anticipated book in the Elemental Assassin series by New York Times bestselling author Jennifer Estep it s Gin Blanco s party and you ll cry if she wants you to Red is definitely my color Good thing because in my line of work I end up wearing it a lot Most people shy away from blood but for an assassin like me Gin Blanco aka the Spider it s just part of the job Still it would be nice to get a night off especially when I m attending the biggest gala event of the summer at Briartop Ashland s fanciest art museum But it s just not meant to be For this exhibition of my late nemesis s priceless possessions is not only the place to be seen but the place to be robbed and taken hostage at gunpoint as well No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place Unlucky why Because I brought along a couple of knives in addition to my killer dress Add these to my Ice and Stone magic and nothing makes me happier than showing the bad guys why red really is my color

Spider's Trap Jennifer Estep,2015-07-28 The next thrilling book in Jennifer Estep s New York Times and USA TODAY bestselling Elemental Assassin series an extraordinary series One of the most intriguing heroines in the genre Romantic Times Book Reviews Keep your friends close but your enemies within stabbing distance One important lesson I ve learned in the assassination business is that to be the best you have to roll with the punches Now that I m queen of Ashland s underworld by default not by choice a lot more punches are being thrown my way But I suppose that s the price of victory for taking down some of the underworld s top dogs Good thing I have my Ice and Stone magic to help me survive my volatile new position Just when I think things are finally settling down someone tries to murder me during a hush hush underworld meeting But the real surprise is how strangely familiar my shadowy assailant seems to be My job is to maintain order among killers crooks and thieves and soon I m embroiled in a bloody game where the ability to keep secrets could be the greatest superpower of all My enemies have all sharpened their knives and laid their traps waiting for me to fall But this Spider weaves her own webs of death

Heart of Venom Jennifer Estep,2013-08-27 The hotly anticipated ninth novel in the hugely popular Elemental Assassin series finds Gin Blanco on a dangerous mission to rescue a friend When I say you re a dead man take that literally To me killing people is like a day at the salon cut and dry Well more like rinse and repeat when you moonlight as the assassin the Spider But my last spa day ended redder than my freshly painted nails after a twisted Fire elemental and his goons kidnapped my close friend Sophia Deveraux and nearly killed her sister Jo Jo in the process Up Ashland s most dangerous mountains and deep into the heart of its blackest woods I ll track these thugs no matter where they take Sophia It doesn t matter what kinds of elemental magic they try to throw at me my Ice and Stone powers can take

the heat and then some I will get Sophia back over their dead bodies Because anybody that hurts Gin Blanco s family becomes a body **Venom in the Veins** Jennifer Estep,2018-06-11 Blood might be thicker than water but venom is stronger than just about anything It was supposed to be a nice quiet simple dinner with friends but nothing is ever nice quiet or simple when you re Gin Blanco the Spider notorious assassin and current queen of the Ashland underworld This time around someone seems to be targeting Stuart Mosley the president of First Trust bank Lots of people have grudges against Mosley but the more I investigate the more Mosley s problems seem to be connected to some of my own especially when it comes to the Circle the evil shadowy group that is secretly responsible for much of the crime and corruption in Ashland But when another blast from my dark and deadly past as the Spider comes to light I wonder if I ll be able to survive this dangerous new enemy who has a burning thirst for revenge that will only be satisfied with one thing my death **Snared** Jennifer Estep,2017-04-25 The sixteenth book in the New York Times bestselling Elemental Assassin urban fantasy series that RT Book Reviews calls An extraordinary series containing one of the most intriguing heroines in the genre Irony 101 The Spider herself snared in someone else s web Another week another few clues trickling in about the Circle the mysterious group that supposedly runs the city s underworld Gathering intel on my hidden enemies is a painstaking process but a more immediate mystery has popped up on my radar a missing girl My search for the girl begins on the mean streets of Ashland but with all the killers and crooks in this city I m not holding out much hope that she s still alive A series of clues leads me down an increasingly dark dangerous path and I realize that the missing girl is really just the first thread in this web of evil As an assassin I m used to facing down the worst of the worst but nothing prepares me for this new terrifying enemy one who strikes from the shadows and is determined to make me the next victim **Winter's Web** Jennifer Estep,2018-11-13 An assassin at a renaissance faire What could possibly go wrong Everything if you re the Spider I might be Gin Blanco aka the assassin the Spider but even I need a break from the bad guys every now and then So when Owen Grayson my significant other suggests a trip to the Winter s Web Renaissance Faire it sounds like a perfect distraction from all my problems The faire starts off innocently enough but something seems slightly off about the cheery atmosphere and costumed characters Maybe I m being paranoid but I can t help but feel like I m trapped in someone else s icy web and that they don t want me to leave the faire alive Note Winter s Webis a 27 000 word novella that takes place after the events of Venom in the Veins book 17 in the Elemental Assassinurban fantasy series Winter s Webfirst appeared in the Seasons of Sorceryanthology in 2018
