Re-examining the Holocaust through Literature Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish

fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context *The Good Works of Ayela Linde* Charlotte Forbes,2006

The linked stories that make up this spare and beautifully written novel follow the life of Ayela the illegitimate daughter of a Mexican dressmaker born in 1933 in the Texas border town of Santa Rosalia Raised by her mother and superstitious grandmother thought to be a witch by the townsfolk Ayela is breathtakingly striking aloof fearful flamboyant and headstrong and her stories are told by those who know her or think they do a girlhood friend her housekeeper the pork butcher members of the altar guild a travel agent her daughter in law and others The stories begin when Ayela is 17 and move through her marriage to an idealistic Bostonian held captive in town by her beauty and her need and end with her last and most dubious good work at the moment of her death Together they create a portrait composite yet intriguingly incomplete that captures the complexity of who she was for with Ayela as with the rest of us that truth lies partly in the eye of the beholder
