Threads Nell Gavin, 2012-09 *Threads* a reincarnation fantasy opens with Anne's execution Her fury at her husband's betrayal has enough momentum to survive centuries but in *Threads* she learns that she has been assigned a hard task she must review their history together through a number of past lives and find it within herself to forgive him

The Creation of Anne Boleyn Susan Bordo, 2013-04-09 This illuminating history examines the life and many legends of the 16th century Queen who was executed by her husband King Henry VIII Part biography part cultural history *The Creation of Anne Boleyn* is a fascinating reconstruction of Anne's life and a revealing look at her afterlife in the popular imagination Why is her story so compelling Why has she inspired such extreme reactions Was she the flaxen haired martyr of Romantic paintings or the raven haired seductress of twenty first century portrayals Answer neither But the most provocative question of all concerns Anne's death How could Henry order the execution of a once beloved wife Drawing on scholarship and critical analysis Bordo probes the complexities of one of history's most infamous relationships She then demonstrates how generations of polemicists biographers novelists and filmmakers have imagined and re imagined Anne whose martyr cautionary tale proto mean girl feminist icon and everything in between In *The Creation of Anne Boleyn* Bordo steps off the well trodden paths of Tudoriana to tease out the human being behind the competing mythologies paintings and on screen portrayals

Threads Nell Gavin, 2002 In 1536 a woman dies and the story begins Henry and Anne are bona fide soul mates bound to each other through eternity Still in 1536 they are at the mercy of influences outside of their control explosively incompatible and caught in a marriage that ends in a betrayal so shocking that Anne requires lifetimes to recover *Threads* a reincarnation fantasy opens with Anne's death in 1536 Her husband Henry seemingly in defense of Anne but more likely acting out of stubborn perverseness she observes has terrorized England and decreed murder after political murder to protect her Ultimately to Anne's horror he has made the decision to have her executed as well Anne's fury at her husband's betrayal has enough momentum to survive centuries but in *Threads* she learns that she has been assigned a hard task she must forgive him this may prove difficult and take some The husband in question is Henry VIII The narrator is the stubborn volatile Anne Boleyn who is not at all inclined to forgive

Sometimes the situation just calls for a few psychopaths But what do you do in the twenty eighth century when you desperately need psychopaths but you ve long since identified a cure for the condition and totally eradicated it Fortunately you have time travel When there are no psychopaths available and you need some you just go back in time to medically manufacture them so to speak so they ll be grown trained and ready to report for work today In the year AD 2754 there are no more history books Instead twenty eighth century Historians travel back in time to attend significant historical events where they telepathically interview the witnesses participants and victims They create reports from their telepathic interviews describe witnesses reactions thoughts and feelings about whatever transpires and describe the consequences of those events on their lives Then they upload their reports to the Educator Database from which twenty eighth century history teachers create their course curriculum One Historian unthinkingly and illegally speaks to two locals in the year AD 2021 triggering catastrophic events that change the course of history Twenty eighth century world leaders must gather up an emergency team to repair this Anomaly and return the time continuum and recorded history to its original state Their emergency team includes one regular Historian a local twenty first century psychologist and four psychopathic Historians called Heroes Because this is one of those situations that just calls for a few psychopaths Nell Gavin s other works include Threads The Reincarnation of Anne Boleyn which was a William Faulkner finalist for Best Novel and Hang On which received the Living Now Book Awards silver medal for Inspirational Fiction Les Réincarnations d'Anne Boleyn Nell Gavin,2015-10-12
