Sullivan,2018-01-25 We never lock our doors This is an often heard remark expressing a commonplace American attitude or belief that despite whatever danger might prevail in public spaces life inside our own homes remains or at least should remain safe carefree normal This book covers 13 high profile cases in which evil paid an untimely visit and found the entrance open when everything was normal until it wasn t *Vampire* Kevin M Sullivan,2014-12-02 VAMPIRE The Richard Chase Murders is the tale of a diabolical homicidal madman running amok mutilating and murdering the unsuspecting residents in the quiet neighborhoods of Sacramento CA His diabolical and unrelenting desires not just to kill his victims but to drink their blood unleashed a terror within the city unlike anything the residents had ever known By the time Richard Trenton Chase graduated high school everyone knew he was strange But no one had any idea how bizarre he d become or what dark impulses were flowing through his troubled brain The transformation from the outwardly strange young man to the diabolical killer he ultimately became was gradual and would not become known until it was too late First it was the killing of small animals and birds and the drinking of their blood However when these sacrifices failed to satiate his needs Richard Chase would seek out the highest form of life and the city of Sacramento California would react in horror to the hideous murders and mutilations committed by his hands For those living in the quiet neighborhoods where the murders occurred it was nothing less than a time of terror until the fiend was captured VAMPIRE is an in depth look into the life and disturbed mind of a killer his family and his many victims the living as well as the dead Within these pages you ll discover what it was like for the police and what a difficult job they had finding a killer they knew wouldn t stop until he was apprehended It was a race against time in a series of murders that would stun even the most hardened investigators It is the story of a city under siege held captive by the man whose appetite for blood could not be satiated **The Bundy Secrets**

Kentucky Bloodbath Kevin Sullivan, 2015-06-02 A well written book of grime that every true crime reader must have on their shelves or reading device Compelling and captivating RJ Parker bestselling author of *Serial Killers Abridged Encyclopedia* *Serial Killer Groupies* and more Readers who find themselves turning the pages of this new work from the author of *VAMPIRE The Richard Chase Murders* and *THE BUNDY MURDERS* are in for an excursion into the weird and the bizarre from a medieval esque murder in a small town museum to the jilted

boyfriend who decided that his former girlfriend needed to die on her twenty first birthday And then there s the demented son who returns home to live with his mother and stepfather and one night in their beautiful mansion sitting atop a high bluff overlooking the Ohio River slaughters them Each case will keep you on the edge of your seat From the Author As I began my research into past Kentucky killers and their victims I was well aware there were a good number of very unusual homicides from the Bluegrass State as I d read about them over the years in newspapers accounts heard the strange tales from relatives and friends or watched the occasional newscasts on TV But these sources were never in depth studies of the cases in question and worse still very often erroneous information came forth and it wasn t until I began the research using the original case files that I d find out what really happened And it would be in these moments of discovery that an accurate picture of each individual tragedy would rise and take shape from the seemingly innumerable police reports and interviews of those involved Indeed many of the stories I ve unearthed would have been lost forever had I not sought them out from the dusty archives and storage facilities scattered throughout the state stories that would ultimately be destined for obscurity and eventual disposal as the decades dragged on Recently one radio interviewer contemplating their bizarre aspects quite rightly stated how all of these Kentucky murders resembled something out of The Twilight Zone and I quickly had to agree with his assessment That s the nature of these cases and frankly it was what I was looking for in my quest to uncover true crime in Kentucky
