Michel Houellebecq and the Literature of Despair Carole Sweeney, 2013-11-21 Widely acknowledged as an important if highly controversial figure in contemporary literature French novelist and poet Michel Houellebecq has elicited diverse critical responses In this book Carole Sweeney examines his novels as a response to the advance of neoliberalism into all areas of affective human life This historicizing study argues that le monde houellebecquien is an atomised society of banal quotidian alienation populated by quietly resentful men who are the botched subjects of late capitalism Addressing Houellebecq's handling of the failure of the radical thought of 68 Sweeney looks at the ways in which his fiction treats feminism the decline of religion and the family as well as the obsolescence of French theory and the Sartrean notion of engaged literature Reading the world with the disappointed idealism of a contemporary moralist Houellebecq's novels Sweeney argues fluctuate between despair for the world as it is and a limp utopian hope for a post humanity **Michel**

Houellebecq Douglas Morrey, 2013 Appraises the global significance of controversial French author Michel Houellebecq's novelistic visions and philosophical position **The Endless Rose** Carlos Maleno, 2023-01-31 A disquieting haunting work

The Endless Rose begins when a one legged woman's manuscript is accepted by a small publishing house consisting of two friends Stunned and excited by her writing they invite her to visit them in the south of Spain The hypnotic gut wrenching events that follow revolving around a brutal murder mentioned in the book's first pages are plunged into an atmosphere of dreams violence and bizarre coincidence Maleno has managed to distill a mash of Michel Houellebecq who figures as a character here Roberto Bolaño The Endless Rose takes its title from a fictional novel mentioned in the Chilean's posthumous masterpiece and Enrique Vila Matas whose technique of textured allusion Maleno has mastered into a strange brew that is all his own

Cruickshank, 2020-01-31 The intrinsic ambivalence of eating and drinking often goes unrecognised In Leftovers Cruickshank's new theoretical approach reveals how representations of food drink and their consumption proliferate with overlooked figurative psychological ideological and historical interpretative potential Case studies of novels by Robbe Grillet Ernaux Darrieussecq and Houellebecq demonstrate the transferrable potential of re thinking eating and drinking **Book Review**

Digest, 2001 *Blog Theory* Jodi Dean, 2013-04-17 Blog Theory offers a critical theory of contemporary media Furthering her account of communicative capitalism Jodi Dean explores the ways new media practices like blogging and texting capture their users in intensive networks of enjoyment production and surveillance Her wide ranging and theoretically rich analysis extends from her personal experiences as a blogger through media histories to newly emerging social network platforms and applications Set against the background of the economic crisis wrought by neoliberalism the book engages with recent work in contemporary media theory as well as with thinkers such as Giorgio Agamben Jean Baudrillard Guy Debord Jacques Lacan and Slavoj i ek Through these engagements Dean defends the provocative thesis that reflexivity in complex networks is best understood via the psychoanalytic notion of the drives She contends moreover that reading networks in terms of the drives enables us to grasp their real human dimension that is the feelings and affects that embed us in the system In remarkably clear and lucid prose Dean links seemingly trivial and transitory updates from the new mass culture of the internet to more fundamental changes in subjectivity and politics Everyday communicative exchanges from blog posts to text messages have

widespread effects effects that not only undermine capacities for democracy but also entrap us in circuits of domination
