Where Is Your Final Destination David Pitt,2011-12-13 Where is your final destination Is it heaven Jesus is the answer and the way A journey will always take us from somewhere A WORLD WIDE MESSAGE The idea that something has the ability to transform or the potential to be transformed is a powerful one It is powerful simply because it reinforces the idea that change is possible It is possible that the sum total of who we are and what we are capable of is not limited to what can only be seen by the naked eye The great truth about all of us is the fact that our external circumstances do not often reflect our internal potential and power By God s design there is more to us than meets the eye This is why the Bible says Greater is he that is within you than he that is within in the world 1 John 4 3 4 NLT In each of us lies the ability and potential not only to be transformed but also to be transformational Transformation is not a small change it is a big radical change reminiscent of a caterpillar becoming a butterfly The idea that we do not have to remain as we are and our circumstance does not have to remain as it is is powerful Jesus saves individuals families and nations for life
