America's Most Lethal Snipers Colin Farmer, America has produced some astounding snipers Most people know about Chris Kyle and Carlos Hathcock but America also had great snipers like Chuck Mawhinney Adelbert Waldron III and Eric England Sergeant Brian Kremer of the 2nd Ranger battalion once held the record for the longest recorded kill at a distance of 2 515 yards This record was set in Iraq in March 2004 Kremer s weapon was a Barrett M82A1 Here we focus on Adelbert Waldron Chuck Mawhinney Eric R England Carlos Hatchcock and Chris Kyle *The Defeated and the Dead* Mark Percy,2024-07-01 How do we teach about war How can social studies teachers empower students to understand how wars are started how they are fought and how they are ended Films about war are featured in nearly all social studies classrooms across the US with practically every American teenager watching at least one historical film during their time in middle and high school Without the mandatory class viewing most of these movies would not have been seen by them otherwise Film is the medium through which most Americans learn about their national past But a passive viewing of a movie about war does little to help students learn to be critical thinkers about their country s choices In *The Defeated and the Dead Teaching About War Through Film* Dr Mark Percy outlines strategies and resources for teachers to incorporate movies about war into their classes in an effective thoughtful manner Employing elements of the Just War doctrine the basis for most international law and treaties this book highlights how teachers can make use of widely used films like *Saving Private Ryan* *Platoon* and *Glory* as well as other movies that span our nation s history from the American Revolution to modern conflicts By focusing on critical frameworks like Just War as well as featuring films both about war and the avoidance of war *The Defeated and the Dead* offers social studies teachers a valuable tool to approach difficult contentious topics in their classrooms Simo Hayha - The Deadliest Sniper In Military History Edgar Wollstone, Simo Hayha or the White Death is one of the deadliest snipers in history of mankind He was a straight up terror for the Soviet men during winter war Hiding amongst the snowy brambles was death a silent and sudden one As Soviet men fell like flies on the snow avalanche the Soviet men knew they were sailing close to the winds Forsaking their conspicuous green military uniform itself could have helped them not be a sitting duck for Finnish snipers buried in heaps of snow But by the time Stalin realized his foibles it was way too late Stalin anticipated that the mighty Red Army would bulldoze the paltry Finland force But Stalin forgot that Finland has White Death by its side to defend its borders The Lady Death was a terrifying presence in battlefield She sent so many enemy men to the jaws of death that she is listed among the deadliest of all snipers Another female sniper to rain terror on enemy forces was Claudia Kalugina the youngest to enroll into Sniper School This book holds in its pages the story of Simo Hahya the White Death who rained havoc on his enemy troops claiming lives of 505 men When the number of kills exceeds the total number of days in a war you know it s real terror that the man Simo Hayha is Standing 5 feet tall and an unassuming demeanor Simo Hayha is easily overlooked a quality that serves him well as a sniper The Hero and the Victim Gregory

*Crosshairs on the Kill Zone* Charles W. Sasser,Craig Roberts,2004-07-01 From the jungles of Vietnam to the unforgiving deserts of Afghanistan and Iraq one breed of soldier has achieved legendary status in the arena of combat the sniper From the authors of the classic sniper chronicle *One Shot One Kill* comes a new generation of true tales from some of the most expert and deadly marksmen in the world Meet Adelbert Waldron II whose 109 confirmed kills in Vietnam made him the most successful sniper in American military history and Tom Moose Ferran who coined the term Fetch whereupon the infantry would retrieve the sniper s dead quarry Also included are stories from snipers in Beirut the Bosnian conflict and both wars with Iraq including the feat of Sergeants Joshua Hamblin and Owen Mulder who took down thirty two enemy soldiers in a single day outside Baghdad in 2003 The military sniper has evolved into one of the most dangerous and highly skilled warrior professions They suffer through weather terrain and enemy action lay unmoving for days on end and take out their targets with unerring accuracy proving that the deadliest weapon in any battle anywhere in the world is a single well aimed shot

**ARMORED MEN** Thomas Taylor, 2010-09-27 Once again Thomas Taylor gives us a look over the shoulder of world class protectors. Two years after the events in *Mortal Shield*, Lieutenant David Armstrong and his team from the Governor's Security Division return to find themselves and their protectee, Missouri Governor William Ulysses Stovall, in harm's way. Stovall has teamed up with a firebrand Islamic cleric, Imam Adel al Walid, to take on Islamic extremists. When they announce a high profile town hall meeting with national impact at the historic Gateway Arch in St. Louis, a group of violent homegrown terrorists decide it's the ideal target. What follows is a race inside the upper reaches of the Arch with terrorists closing in on Stovall and his protectors from all sides. Armstrong and his team will once again be tested to the limits of their abilities, their dedication and their willingness to put their lives on the line to protect the First Family. Not everyone will make it out alive.

**Modern American Snipers** Chris Martin, 2014-12-16 An inside look at today's special operations sniper and an in-depth look at the career of Chris Kyle from those who knew him and fought alongside him. Most people think of snipers as shooters perched in urban hides dealing out death unseen from a considerable distance. But this description barely scratches the surface. Special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren't pulling the trigger. Snipers have played an outsized role in the War on Terror that has earned them the Medal of Honor, Navy Cross and countless other honors. These are the most experienced warriors on the battlefield, oftentimes the unit's best assaulters with years of door kicking under their belt. These are the men who run ops in small teams across borders or dress like locals and pull off high risk vehicle reconnaissance and singleton missions in non-permissive environments. Chris Martin's *Modern American Snipers* tells the inside story of some of the most heroic patriots in recent American history by the friends and colleagues who knew them best, including The Legend, Chris Kyle, SEAL Team 3 Chief and the most lethal sniper in U.S. military history, The Reaper, Nick Irving, the first African American to serve as a sniper in the 3rd Ranger Battalion and its deadliest with 33 confirmed kills. Robert Horrigan, Delta sniper who played a critical role in Operation Anaconda, Don Hollenbaugh, Delta Operator who earned the Distinguished Service Cross while embedded with a Marine platoon in the First Battle of Fallujah, and many more.
