Not Just Victims contains twelve oral histories based on conversations with Cambodian community leaders in eight American cities with sizable Cambodian ethnic communities Unlike the dozens of autobiographies published by Cambodians that focus largely on their victimization and experiences during the Khmer Rouge regime before fleeing Cambodia these narratives describe how Cambodian refugees have adapted to life in the United States Providing insiders views of the issues and challenges the group is encountering Not Just Victims focuses on communities in Long Beach Philadelphia Washington D C Seattle Portland Tacoma and the Massachusetts towns of Fall River and Lowell Sucheng Chan s extensive introduction provides a historical framework within which the stories of the refugees can be better understood She discusses the civil war that brought death to half a million people 1970 75 the bloody Khmer Rouge revolution 1975 79 the border war during the Vietnamese occupation of Cambodia 1979 89 and the additional travails faced by those who escaped to holding camps in Thailand The book also includes an essay on oral history and a substantial bibliography **Catalogue of the Books in the Manchester Free Library: Additions from 1864 to 1879. 1 v. in 2. 1879** ,1879 *Oral Roberts* David Edwin Harrell, Jr.,1985-09-22 This book may give you the best opportunity of deciding the truth about me and the ministry I hold so dear Oral Roberts Among several biographies of Oral Roberts the most recent most accurate and best documented is Oral Roberts An American Life an objective impressive study New York Review of Books Oral Roberts An American Life is more than the story of a well known evangelist and educator It is the story of a part of the American religious life that not many Americans know or understand Dr Harrell has researched thoroughly and written superbly Billy Graham a first rate biography one which should give pause to Roberts supporters and critics alike Roberts first scholarly biographer has done a beautiful job Allen Boyer Newsday **Publishers' circular and booksellers' record** ,1853

Spirit of the Times and the New York Sportsman ,1868 Fight Sports and American Masculinity Christopher David Thrasher,2015-06-14 Throughout America s past some men have feared the descent of their gender into effeminacy and turned their eyes to the ring in hopes of salvation This work explains how the dominant fight sports in the United States have changed over time in response to broad shifts in American culture and ideals of manhood and presents a narrative of American history as seen from the bars gyms stadiums and living rooms of the heartland Ordinary Americans were the agents who supported and participated in fight sports and determined its vision of masculinity This work counters the economic determinism prevalent in studies of American fight sports which overemphasize profit as the driving force in the popularization of these sports The author also disputes previous scholarship s domestic focus with an appreciation of how

American fight sports are connected to the rest of the world **The Cumulative Book Index** ,1922 *New Orleans Sports* Thomas Aiello,2019-08-01 New Orleans has long been a city fixated on its own history and culture Founded in 1718 by the French transferred to the Spanish in the 1763 Treaty of Paris and sold to the United States in 1803 the city s culture law architecture food music and language share the influence of all three countries This cultural m lange also manifests in the city s approach to sport where each game is steeped in the city s history Tracing that history from the early nineteenth century to the present while also surveying the state of the city s sports historiography New Orleans Sports places sport in the context of race relations politics and civic and business development to expand that historiography currently dominated by a text that stops at 1900 into the twentieth century offering a modern examination of sports in the city **Daily Comprehension** Jack Kabakoff,2000 **Literary Gazette. American Ed** ,1830 **The United States Catalog** ,1928

America's Destiny: Choosing God's Will or Ours (A Historical & Latter-day Saint Perspective) Tad R. Callister,2023-07-10 America s Destiny sets forth compelling evidence of America s divine origin and destiny that it was a nation founded upon divine providence not coincidence as testified repeatedly by the Founding Fathers respected historians and statesmen This revised edition also adds numerous scriptures and statements from prophets of God attesting to this truth With that perspective America s Destiny asks the question that should be on all of our minds What is the greatest challenge facing our nation today and how should we confront it in a way that pleases God The economy national security immigration gun control poverty racism crime national pandemics climate change While each of these is a valid concern and deserves attention none of them strikes at the heart of our greatest challenge namely finding a way to build stronger homes and bring about a return to family God and moral values To put our prime focus on challenges other than these is to strike at the leaves not the root of the problem It is now our choice and America s choice to place our trust in the wisdom of God or the wisdom of the world to be a nation under God or without God If we become a nation under God then we become eligible to receive the promise Blessed is the nation whose God is the Lord Psalm 33 12 **The Publishers Weekly** ,1916 **Newsletter** University of Michigan Computing Center,1971
