**The Novelist in the Novel** Elizabeth King, 2023-11-14 Why do writers so often write about writers This book offers the first comprehensive account of the phenomenon of the fictional novelist as a character in literature arguing that our notions of literary genius and what it means to be an author are implicitly shaped by and explicitly challenged in novels about novelists a genre that has been critically underexamined Employing both close and distant reading techniques to analyse a large corpus of author stories *The Novelist in the Novel* explores the forms and functions of author stories and the characters within them offering a new theory that frames these works as textual sites at which questions of literary value and the cultural conceptions around authorship are constantly being negotiated and revised in a form of covert criticism aimed directly at readers While nineteenth century novels about novelists reveal a pervasive frustration with the market a starving artist vs commercial sell out dichotomy modernist examples of the genre focus on the development of the individual author as artist entirely aloof from the marketplace and from the literary sphere at large Yet each of these dynamics is gendered with women denigrated to commercial producers and men elevated to artists and while the canon has largely supported the male view of authorship a closer look at the work of women writers from this period reveals concerted attempts to counteract it Silly Lady Novelists are pitted against serious male modernists in a battle to define what it means to be a literary genius

**Reading the Cozy Mystery** Phyllis M. Betz, 2021-03-09 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye [Denting the Bosch](#) Teresa Link, 2012-08-07 A gorgeously written sharp debut novel about three middle aged couples who find themselves unmoored in the prime of their lives Three couples in San Diego best friends empty nesters living the California dream have reached a tipping point With the blurry years of child rearing and corporate ladder climbing over each pair is finally free to enjoy the golden years together Until two of the husbands suddenly announce they want a divorce As marriages and friendships unravel and the prosperity of the last few decades spins toward financial meltdown Adele Maggie and Sylvia find their carefully established footholds and expectations crumbling [Denting the Bosch](#) marks the debut of a talented new voice and offers an alternatively hilarious and devastating assessment of modern life marriage middle age friendship money sex and the American Dream **The Publishers Weekly**, 2008 **Amy Falls Down** Jincy Willett, 2013-07-09 Amy Gallup is an aging novelist and writing instructor living in Escondido California with her dog Alphonse Since recent unsettling events she has made some progress While she still has writer's block she doesn't suffer from it She's still a hermit but she has allowed some of her class members into her life She is no longer numb angry and sardonic she is merely numb and bemused which is as close to happy as she plans to get Amy is calm So when on New Year's morning she shuffles out to her backyard garden to plant a Norfolk pine she is wholly unprepared for what happens next Amy falls down A simple accident as a result of which something happens and then something else and then a number of different things all as unpredictable as an eight ball break At first the changes are small but as these small events carom off one another Amy's life changes in ways that range from ridiculous to frightening to profound This most reluctant of adventurers is dragged and propelled by train plane and automobile through an outlandish series of antic media events on her way to becoming to her horror a kind of celebrity And along the way as the numbness begins to wear off she comes up against something she has avoided all her life her future that sleeping monster not to be poked Jincy Willett's [Amy Falls Down](#) explores through the experience of one character the role that accident plays in all our lives You turn a corner and beasts break into arias gunfire erupts waking a hundred families starting a hundred different conversations You crack your head open and three thousand miles away a stranger with Asperger's jump starts your career We are all like Amy We are all wholly unprepared for what happens next Also there's a

basset hound An NPR Best Book of 2013      **Amy Among the Serial Killers** Jincy Willett, 2022-08-23 Jincy Willett's beloved characters return in *Amy Among the Serial Killers* a wickedly smart and funny take on the thriller genre by one of our most acclaimed literary humorists. Carla Karolak is doing just fine. Having escaped the clutches of her controlling mother and founded a successful writing retreat in which participants are confined to windowless cells until they hit their daily word count, she lives a comfortable if solitary existence. If only her therapist Toonie would stop going on about Carla's nonexistent love life and start addressing her writer's block, she might be able to make some progress. But then Carla finds Toonie murdered and suddenly her unfinished memoir is the least of her concerns. Without quite knowing why, she dials an old phone number. Amy Gallup, retired after decades as a writing instructor, is surprised to hear from her former student Carla, out of the blue, three years since they last spoke. She's even more shocked when she finds out the reason for Carla's call. Suddenly she finds herself swept up in a murder investigation that soon brings her old writing group back together. But they'll need all the help they can get as one murder leads to another and suspicions of a serial killer mount across San Diego. Full of Jincy Willett's trademark dark humor, an unforgettable cast of characters, and two of the most endearingly imperfect protagonists who have ever attempted to solve a murder, *Amy Among the Serial Killers* shows us what can be gained when we begin to break down our own walls and let others inside as long as they aren't murderers.

*The Writing Class* Jincy Willett, 2008 Living for the writing class she teaches at the university extension, reclusive widow Amy Gallup senses something different about her latest group of students when she begins to receive scary phone calls and obscene threats that culminate in a murder.

**Jenny & the Jaws of Life** Jincy Willett, 2008-05-27 In these wonderfully funny and poignant stories, Willett's eccentric complex characters think and do the unconventional. Soft euphonic women gradually grow old, weak, unhappy; men confront love and their own mortality and abominable children desperately try to grow up with grace. With a unique voice and dry humor, Willett gives us a new insight into human existence, showing us those specific moments in relationships when life suddenly becomes visible. Critically acclaimed when it was first published in 1987, *Jenny and the Jaws of Life* is being brought back due to popular demand. It's a timeless collection filled with a certain freshness and wit that ring just as loudly today.

The New York Times Index, 2009      Winner of the National Book Award Jincy Willett, 2010-04-01 Winner of the National Book Award, the long-awaited novel from the author of the acclaimed collection *Jenny and the Jaws of Life* is an unusual and wonderful novel that is somehow able to be at once bleak and hilarious, light-hearted and profound. It's the story of two sisters. Abigail Mather is a woman of enormous appetites, sexual and otherwise. Her fraternal twin, Dorcas, couldn't be more different: she gave up on sex without once trying it and she lives a controlled, dignified life of the mind. Though Abigail exasperates Dorcas, the two love each other; in fact, they complete each other. They are an odd pair, set down in an odd Rhode Island town where everyone has a story to tell and writers, both published and unpublished, carom off each other like billiard balls. What is it that makes the two women targets for the new man in town, the charming schlockmeister Conrad Lowe, tall, whippet thin?

and predatory In Abigail and Dorcas he sees a new and tantalizing challenge Not the mere conquest of Abigail with her easy reputation but a longer and more sinister game A game that will lead to betrayal shame and ultimately murder In her darkly comic and unsettling first novel Jincy Willett proves that she is a true find that rare writer who can explore the shadowy side of human nature with the lightest of touches **San Diego Magazine** ,2008-05 **Books in Print** ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers **Fame and Honour** Jincy Willett,2003 Rhode Island New England the present day A hurricane is on its way and the locals are either packing up and clearing out or buying emergency provisions and preparing to batten down the hatches Dorcas Mather local librarian and spinster is less concerned by the imminent threat than about a book that s come in with the most recent delivery It s THE ABIGAIL MATHER STORY a true crime epic which supposedly tells the true story of Dorcas s sexually promiscuous sister Abigail who s now serving a life sentence for killing her husband As the storm rages on Dorcas reads rages at the inaccurate picture of her allegedly dysfunctional family and the man who tore her sister s life apart then tells us the real truth although we sense she s hiding something and knows more about the murder than she s letting on Perhaps Abigail isn t the guilty one after all The Writing Class Frankie Chocolate,2018-02-06 A hot blooded women wants a man and gets more and other stories **El taller de escritura** Jincy Willett,2012-06 Living for the writing class she teaches at the university extension reclusive widow Amy Gallup senses something different about her latest group of students when she begins to receive scary phone calls and obscene threats that culminate in a murder **Creative Writing Class** Andrews University.
