True Fire Born 3 By Laney McMann:

True Laney McMann, 2015-06-09 Since Max left and joined his father in the Shadow Realm everything in Layla's life has changed. The Demon Gods threaten to destroy the Otherworld and an inconceivable darkness has awakened a darkness that wants control of Layla's will. It also wants Max dead. Not only must Layla face the true fire simmering inside her but fight the one she loves most. And this time with her friends and family left behind she's completely on her own. Leaving Layla nearly destroyed Max but it was his only choice. Now he must play the part, stay in control of his end goal, his actions, and the poison coursing through his veins clouding his thoughts and turning him into what he fears most: a Demon God. But even with his Oghams fighting the toxins, his control is slipping. Living in the Fomore castle with his Vampyre Fae ex-girlfriend isn't making it any easier to stay sane and waiting to face off against Layla is taking its toll. In the final installment of the Fire Born Novels trilogy, the legendary Battle will be fought and Layla and Max stand to lose everything. How far will they go to save each other and protect the ones they love? Even they don't know the answer. No one can win. From the ashes of old, they shall rise. The last of the Ancients, Foe and Ally. The Legend lies in wait and bides its time. Until at last the day comes. For the children born of fire.
