**Three Daves** Nicki Elson, 2010-02-16 Jennifer Whitney was the last American virgin. At least that's what she felt like in 1986 as she began her sophomore year at Central Illinois University. She was proud of her decision to wait for the right guy and yet she was getting restless. It seemed like everyone around her was doing it and having fun doing it too. She didn't want to become the campus slut or anything but surely there was a difference between a trashy skank and a nice girl with a little experience. Perhaps it was time to stop relying on fate to guide her and instead take matters into her own hands. And with that realization Jen decided to find the one and lose her virginity although not necessarily in that order. Nicki Elson has created a heroine that everyone will cheer for as she comes of age in the mid 1980s. Whether you lived through the decade and survived the bad hair and acid wash jeans or just heard the wild stories, readers of all ages will identify with Jen Whitney as she searches for the one. Enjoying her romantic ups and downs made even more entertaining by Nicki Elson's amusingly wry sense of humor.

**The Winemaker's Dinner: Dessert** Ivan Rusilko, 2013-04-30 Left on bended knee with nothing but a ring in his hand and a gaping hole in his chest, Ivan Rusilko lost everything when Jaden Thorne said I can't. Now six months later and despite her endless attempts to reach him, finding forgiveness for Jaden's indiscretion is last on his list of things to do. Dr. Ivan is married to his career now and his professional success is taking him places he's never been before. But even the glow of accomplishment can't heal his devastated heart. Determined to recover, to move forward at any cost, he now finds moments of respite in distractions that leave him emotionally bankrupt. He's empty, a shadow of his former vibrant life, loving self. On the outside, he may seem to be the man he always was. But inside, a terrible desire threatens to rip him apart and ruin him forever. Meanwhile, Jaden is haunted by the memory of the moment she saw the light wither and die in Ivan's eyes. She knows it died at her hand. After months of trying to explain herself, of begging for mercy, she takes herself back to Miami, back into Ivan's path for one last chance at redemption. Can she entice him back into her arms? Convince him to give her a second chance? She's determined to do whatever it takes to find forgiveness, even if all that's left is forgiving herself. In this final book of The Winemaker's Feast Trilogy, The Winemaker's Dinner: Dessert, author Dr. Ivan Rusilko is writing solo, drawing freely on his own life and love experiences to craft a heartbreaking and wildly erotic tale about lost hope, desperation, contrition, and if it's possible, the quest for a perfect ending to a real-life love story. True to its title, Dessert serves readers an indulgent, decadent last course rich with twists, turns, and tantalizing truths. Love is beautiful, guys like this really do exist, and the power of real romance is something we can all believe in.
