

A group of five people are gathered on a dark, open field at night, looking up at a bright meteor streaking across the sky. The scene is dark, with the only light source being the meteor and some distant city lights. The people are dressed in casual winter clothing. One person is sitting on a red cooler, while others are standing or sitting on the ground. A colorful patterned blanket is spread out on the ground. The overall mood is one of wonder and awe.
