Wild Blood Switchers 3 By Kate Thompson:

The New Policeman Kate Thompson, 2006 Fifteen year old JJ Liddy is dismayed when he is told that his great grandfather was a murderer He discovers more than he expected when he sets out to find the truth Creature of the Night Kate Thompson, 2009 From this multi award winning author comes a gritty hard hitting tale of disaffected youth but not without a hint of Kate Thompson s signature fantasy **The Last of the High Kings** Kate Thompson, 2012-09-30 JJ Liddy sometimes blames his unreliable temperament on the visit he made to Tir na n Og the land of eternal youth when he was fifteen years old It s perhaps not surprising that his children have also turned out to be a little eccentric especially eleven year old Jenny She forgets to go to school can t bear to wear shoes and spends entire days roaming the mountainside It s up there that she meets the ghost He is guarding a pile of rocks known as the beacon and when some archaeologists arrive to excavate it they run into the strangest kind of obstruction But it is not people the ghost fears and when the real enemy finally reveals itself the future of the entire human race is threatened Only Aengus Og and his fairy kin can help now **Highway Robbery** Kate Thompson, 2011 A boy recounts his adventures that led him to be selling Black Bess the horse of the legendary highway man Dick Turpin The Beguilers Kate Thompson, 2009-10-06 There is a dire warning never to peep out at them There are stories of people who succumbed to their voices and walked out into the night never to be seen again But Rilka frustrated by the culture of her people is determined to catch a Beguiler and solve the mystery of their existence and so she embarks on an adventure that will change her life and the lives of those around her for ever This novel confirms Kate Thompson s position as a writer of rare imagination and power **The Fourth Horseman** Kate Thompson, 2011-06-30 The first time Laurie and her dad see the white rider watching them from the deep cool shadows of the trees he is alone Laurie is convinced that his appearance has a meaning that somehow he is trying to tell them something something her dad needs to pay attention to Is the rider somehow linked to the genetic research into squirrels that Laurie is helping her dad with in the lab When a second rider with a bloody sword appears alongside the first and then a third and a fourth Laurie knows she must try to understand who they are and what they represent With the help of her brother and his best friend she discovers what the riders mean but will it be too late to stop the inevitable chain of events that has been set in motion The White Horse Trick Kate Thompson, 2010 It is the latter part of the 21st century and dramatic climate change has made life in Ireland almost impossible The last of the survivors in Clare are being rounded up by the local warlord and put to work in his labor camps Meanwhile Tir na n Og is faced with a refugee problem and the king of the fairies is not happy about it Jenny and her new friend the boy soldier Pup go over to Ireland to find out what is happening and to bring Aengus Og back home where he belongs But when it is revealed that the warlord who is behind the problem is a member of the Liddy family JJ is sent to sort him out But JJ is old now and his lifespan in Ireland has long since expired He can t return to Ireland by the usual route so like the ill fated Oisín before him he must resort to the white horse trick And unlike Oisín he must stay in the saddle if he is to

have any chance of surviving the trip The White Horse Trick travels from the now to far distant futures from world s end to world s beginning **Wanted!** Kate Thompson,2012 Marcus is a young baker in ancient Rome When a slave boy shoves the reins of a sleek beautiful horse into Marcus hands seconds before he is killed by a soldier Marcus knows he s in danger because the horse is Incitatus the Emperor s prized animal Will Marcus find a way to keep Incitatus hidden *Words on Cassette*, 2002 R R Bowker Publishing,2002 **The School Librarian** ,2000 **Books Out Loud** ,2004 *Irish Children's Literature and Culture* Keith O'Sullivan,Valerie Coghlan,2011-03-17 Irish Children s Literature and Culture looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with major genres forms and issues including the gothic the speculative picturebooks ethnicity and globalization It contextualizes modern Irish children s literature in relation to Irish mythology and earlier writings as well as in relation to Irish writing for adults thereby demonstrating the complexity of this fascinating area What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children s literature in comparison with Ireland s contribution to adult literature in the twentieth century The contributors to the volume examine a range of texts in relation to contemporary literary and cultural theory and children s literature internationally raising provocative questions about the future of the topic Irish Children s Literature and Culture is essential reading for those interested in Irish literature culture sociology childhood and children s literature Valerie Coghlan Church of Ireland College of Education Dublin is a librarian and lecturer She is a former co editor of Bookbird An International Journal of Children s Literature She has published widely on Irish children s literature and co edited several books on the topic She is a former board member of the IRSCL and a founder member of the Irish Society for the Study of Children s Literature Children s Books Ireland and IBBY Ireland Keith O Sullivan lectures in English at the Church of Ireland College of Education Dublin He is a founder member of the Irish Society for the Study of Children s Literature a former member of the board of directors of Children s Books Ireland and past chair of the Children s Books Ireland Bisto Book of the Year Awards He has published on the works of Philip Pullman and Emily Bront *Fantasy Literature for Children and Young Adults* Ruth Nadelman Lynn,2005-03-30 Bibliographic information grade level and annotations for nearly 7 500 fantasy books for grades 3 12 are given The introduction discusses the history of fantasy and awards presented to fantasy titles are listed [Origins \(Missing Link 3\)](#) Kate Thompson,2012-04-30 In the secret community where through genetic experiments animals can talk and children carry animal genes an unimaginable alien presence makes its appearance Vividly described by Christie in his diary this creature raises terrifying questions Is it a threat to all civilized life Can it be destroyed or contained Alternating with the diary is the extraordinary story of Ness and Farral Will their dangerous journey heal the rift that exists between their two communities In the final exciting novel of The Missing Link trilogy Kate Thompson twice winner of the Irish Children s Book of the Year Bisto Award raises startling and relevant
