Gissurarson, In the 20th century communism claimed the lives of at least 100 million people But often it is regarded with more sympathy than the other deadly totalitarian creed national socialism Despite several plausible accounts of famines mass executions labour camps and oppression many Western intellectuals were either supporters or fellow travellers of the communists This illustrated report is about some of the most noteworthy books travelogues novels memories and historical treatises that came out in the great struggle between totalitarian communism and liberal democracy from the 1917 Bolshevik Revolution onwards **Chinese women in Jung Chang's "Wild swans: three daughters of China" and Adeline Yen Mah's "Falling leaves: the true story of an unwanted chinese daughter"** Ana Stranščak, Meta Grosman, 2003 **Mao's Children in the New China** Yarong Jiang, David Ashley, 2013-10-08 Around 18 million young Chinese people were sent to the countryside between 1966 and 1976 as part of the Cultural Revolution Mao's Children in the New China allows some of them to tell their moving stories in their own voices for the first time In this inspiring collection of interviews with former Red Guards members of the first generation to be born under Chairman Mao talk frankly about the dramatic changes which have occurred in China over the last two decades In discussing the impact these changes have had on their own lives the former revolutionaries give a direct insight into how ex Maoists view contemporary China revealing an attitude perhaps more critical than that of most Western commentators These poignant memoirs tell the very personal stories of how people from all walks of life were affected by both the cultural revolution and Deng Xiaoping's economic reforms They cover subjects as diverse as marriage and divorce the privatization of industry family relationships universities and the stock market Mao's Children in the New China is essential reading for all those interested in learning more about the personal and social history of modern China **A Study Guide for Karin Evans's "The Lost Daughter's of China"** Gale, Cengage Learning, 2016 *China* Eileen Tamura, 1997-01-01 China Understanding Its Past aims to fill a conspicuous gap in conventional world history texts which are often Eurocentric and give scant attention to Asia Using role playing simulations debates primary documents first person accounts excerpts from literary works and cooperative learning activities this text will help students explore many key aspects of China's history and culture The teacher's manual includes a synopsis of each chapter and section learner outcomes definitions of key concepts directions for student activities and possible responses to questions posed in the student text The CD contains selections of Chinese music from different time periods and locales Liner notes include English translations of lyrics as well as historical information about each selection *Encyclopedia of Life Writing* Margaretta Jolly, 2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company **A Study Guide for Xuefei Jin's "In the Kindergarten"** Gale, Cengage Learning, A Study Guide for Xuefei Jin's In the Kindergarten excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust

China in the 1970s - From Cultural Revolution to Emerging World Economy Irmtraud Eve Burianek, 2009-06-12 Scientific Essay from the year 2009 in the subject Orientalism Sinology Chinese China course Private discussions of scholarly work on China language English abstract The tumultuous decade of the Seventies in China develops from a suppressive phase determined by the Cultural Revolution and the principles of communist dictatorship to its first unexpected opening to the West with Nixon's visit to China in 1972 We will follow China's history from the death of Mao Zedong and Zhou Enlai in 1976 through the turmoil following the arrest of the Gang of Four in October 1976 the reform course of Deng Xiaoping beginning in 1978 the democracy movement to the deep structural economic reforms with the open door policy in 1980 The Seventies began in China in the dark era of the Cultural Revolution Mao despite his position of being the godlike Supreme Leader of China became aware in the mid Sixties that the pragmatists in the Communist Party were actually running the country Under the pragmatists China finally showed improvement in living standards a more relaxed lifestyle and greater literary and artistic freedom But Mao saw exactly this as a threat to his own person and resented the successful party officials up to the leaders in his immediate vicinity He regarded himself as a Stalin figure In 1956 Soviet Premier Nikita Khrushchev had denounced Stalin Mao decided to make a preemptive strike and destroy the man he regarded as China's Khrushchev Liu Shaoqi as well as Liu's colleague Deng Xiaoping as well as their followers in the party Because they were numerous he came up with a diabolical plan of turning the Chinese against each other in an unprecedented mass campaign of denunciation Mao appealed to lower officials to criticize and denounce their superiors for betraying the revolution students to criticize their teachers and professors workers their supervisors neighbors their neighbors and young people their elders One billion people were turned upside down looking for counterrevolutionary tendencies in each other This he deceptively termed the Cultural Revolution For the culture part Mao involved his wife Jiang Qing Mao accepted his wife's former career as an actress in Shanghai as a sufficient base for overseeing China's intellectual and artistic life **The Chinese Civil War 1945 - 1949** Irmtraud Eve Burianek, 2012-08-21 Essay from the year 2010 in the subject Orientalism Sinology Chinese China grade language English abstract One of the best Chinese Civil War books of all time BookAuthority The Chinese civil war is one of the key events of 20th century The victory of the Communists over the Nationalists determined the Chinese history over several generations and defined international relations in East Asia throughout the Cold War era and after The civil war in China represents not only the clashes of armies but also of nations and classes As all civil wars it represents furthermore a

traumatic and painful process within a people with atrocities on both sides and horrendous suffering of combatants and civilians The civil strife between the Nationalists and Communists on mainland China had begun in the 1920s coming to a head right after the end of World War II in 1945 when the Communists began the successful drive that won them final control over China in October 1949 From then on China was under the rule of Mao's Communist Party with one exception Taiwan The island southeast of mainland China was ruled by Chiang Kai shek Since 1949 the world has dealt with two Chinese states the People's Republic of China or PRC in mainland China under the Communists and the Republic of China or ROC in Taiwan under the Nationalists

Healing Henan Sonya Grypma, 2008-07-01 While volumes have been written about the Protestant missionary movement in China scant attention has been paid to the role of nursing and nurses in these missions Set against a backdrop of war and revolution *Healing Henan* brings sixty years of missionary nursing out of the shadows by examining how Canadian nurses shaped health care in the province of Henan and how China in turn influenced the nature of missionary nursing From the time Presbyterian later United Church missionaries arrived in China in 1888 until the abrupt closure of the North China Mission in 1947 Canadian nurses were ubiquitous in Henan As China underwent a tumultuous transition from dynastic kingdom to independent republic Canadian nurses advanced a version of hospital based nursing education and practice that rivalled modern nursing care in Canada In *Healing Henan* Sonya Grypma offers a highly readable and fresh perspective on China missions and the global expansion of professional nursing As the first comprehensive study of missionary nursing in China it will be of particular interest to nurses and missionaries and to historians of Canada China nursing medicine women's work and missions
