Chapter 1: Kyle grew up in central Texas. He loved to hunt and ride horses and would have been a cowboy if he had not become a member of the Navy SEAL Teams. He had a lot of fun hunting with his mom, dad, and brother as a child. His dad and brother were his best friends growing up. Kyle learned true patience by learning to break a horse. He got involved in rodeo competitions to quench his thirst for being a cowboy. In 1992, he graduated and went to Tarleton State University with aspirations to join the military afterward. An accident in his freshman year ended his rodeo career when he had to have pins put in his wrist. He became a ranch hand for a man named David Landrum while he was still a student. Landrum's strict expectations made Kyle

want to prove himself Kyle believes this prepared him to become a Navy SEAL Kyle decided to quit school and join the military He learned about the SEALs and wanted to become one He investigated the opportunity further and learned that there was no guarantee he would become a SEAL if he joined the Navy He would need to earn the privilege Kyle went through the application process but the Navy disqualified him because of the pins in his wrist He felt his military career had ended before it began He went back to work for Landrum and hoped to become a rancher Shortly afterward a recruiter called and asked if he was still interested in becoming a SEAL
