**Thief's Covenant** Ari Marmell, 2012-02-14 Once she was Adrienne Satti An orphan of Davillon she had somehow escaped destitution and climbed to the ranks of the city's aristocracy in a rags to riches story straight from an ancient fairy tale Until one horrid night when a conspiracy of forces human and other stole it all away in a flurry of blood and murder Today she is Widdershins a thief making her way through Davillon's underbelly with a sharp blade a sharper wit and the mystical aid of Olgun a foreign god with no other worshippers but Widdershins herself It's not a great life certainly nothing compared to the one she once had but it's hers But now in the midst of Davillon's political turmoil an array of hands are once again rising up against her prepared to tear down all that she's built The City Guard wants her in prison Members of her own Guild want her dead And something horrid something dark something ancient is reaching out for her a past that refuses to let her go Widdershins and Olgun are going to find answers and justice for what happened to her but only if those who almost destroyed her in those years gone by don't finish the job first From the Hardcover edition      **False Covenant** Ari Marmell, 2012-06-19 It's been over half a year now since the brutal murder of Archbishop William de Laurent during his pilgrimage to the Galicien city of Davillon During that time the Church of the Hallowed Pact has assigned a new bishop to the city but it has also made its displeasure at the death of its clergyman quite clear Davillon's economy has suffered beneath the weight of the Church's displeasure Much of the populace angry at the clergy has turned away from the Church hierarchy choosing private worship or small independent shrines And the bishop concerned for his new position and angry at the people of Davillon plans to do something about it But a supernatural threat is stalking the nighttime streets a creature of the other world has come to infiltrate the seedier streets of Davillon to intertwine its tendrils through the lower echelons of society Faced with both political upheaval and a supernatural threat to its citizenry the local representatives of the Church are paralyzed and the Guardsmen are in over their heads And then there's Widdershins who's tried and failed to stay out of trouble since taking over Genevieve's tavern who's known to the Church and the Guard both and trusted by neither who may with some of her Thieves Guild contacts have unwittingly played a part in the bishop's plans and who along with her personal god Olgun may be the only real threat to the supernatural evil infesting Davillon From the Hardcover edition      Widdershins Ari Marmell, 2014
