Vicious Circle Persephone Alcmedi 1 By Linda Robertson:

Shattered Circle Linda Robertson, 2013-01-29 Persephone Alcmedi's beloved foster daughter Beverley has been playing with a magical artifact that's far more dangerous than she realizes. Now Persephone must summon help from a mystical being so potent that even vampires fear him and the cost of his aid may be more than she's willing to pay. Seph, Johnny, and Menessos face threats from all sides and a few from within.

Vicious Circle Linda Robertson, 2009-06-30 This exciting urban fantasy debut mixes a modern day witch with a rock n roll werewolf boyfriend pitted against a powerful vampire. Being a witch doesn't pay the bills but Persephone Alcmedi gets by between reading Tarot cards, writing her syndicated newspaper column, and kenneling werewolves in the basement when the moon is full, even if witches aren't supposed to mingle with wolves. She really reaches the end of her leash though when her grandmother gets kicked out of the nursing home and Seph finds herself in the doghouse about some things she's written. Then her werewolf friend Lorrie is murdered and the high priestess of an important coven offers Seph big money to destroy the killer, a powerful vampire named Goliath Kline. Seph is a tough girl but this time she bites off more than she can chew. She needs a little help from her friends, werewolf friends. One of those friends, Johnny, the motorcycle riding lead singer for the techno metal Goth band Lycanthropia, has a crush on her. And while Seph has always been on edge around this 6'2" leather clad hunk, she's starting to realize that although their attraction may be dangerous, nothing could be as lethal as the showdown that awaits them.

Wicked Circle Linda Robertson, 2011-12-27 Is a little time alone with the man you love too much to ask? Well, it may be when you're Persephone Alcmedi, Lustrata of the witches, and your lover is Domn Lup of the werewolves. For once, however, the disturbance is not Seph's foster daughter Beverley, her wacky grandmother, or her newly rediscovered mother. This time it's the ancient and incredibly sexy vampire Menessos bearing bad news because the vampire council fears he is plotting a power grab. Menessos is being hunted by a trio of truth-seeking vampire sisters so dangerous they are usually kept locked in stone. His dreams imperiled, Menessos needs Seph more than ever and she needs him. Now Seph has magical promises to fulfill for the weres, multiple mundane family challenges to meet, vampire politics to confront, and into the bargain, she's balancing two sexy supernatural males. It's enough to drive any woman insane, especially when you throw in a dragon and even worse, a government investigator. As danger threatens, Seph isn't sure she can stay alive for the rest of the day, let alone long enough to accomplish all that needs to be done.

Fang-tastic Fiction Patricia O'Brien Mathews, 2011 Mathews uses a limited definition of paranormal and examines works set for the most part in a relatively realistic modern world inhabited by both humans and paranormal beings.

Arcane Circle Linda Robertson, 2010-12-28 An action-packed urban fantasy where deadly secrets, supernatural politics, and passionate romance collide. After surviving a brutal battle with the forces of Fairy, Persephone Alcmedi is left with more problems than answers. She now carries dangerous secrets she must hide from both the magical and mundane worlds and she's somehow responsible for feeding and sheltering dozens of displaced supernatural creatures.

living behind her cornfield As if that weren't enough her foster daughter Beverly's tenth birthday party is right around the corner But the most pressing complication comes from Seph's boyfriend Johnny who has revealed himself as the werewolf Domn Lup the king of the werewolf world The current ruler of the werewolf realm is on his way from Romania to verify Johnny's claim but Johnny hides a perilous truth his magic is locked within the intricate tattoos on his skin Without it his crown and his life are at risk Seph and Johnny must race to unlock his magic before political rivals destroy him Yet in the cutthroat arcane world strength must be constantly proven alliances shift like shadows and every victory comes at a price Now Seph must decide how far she's willing to go to protect the man she loves and whether the cost will be paid in power loyalty or blood
