Everything about Kale is smooth his attitude his voice his body He is my polar opposite But somehow him me we work Then there was the video he made Us together me singing him grinning like I was the sun moon and stars And my simple life exploded Suddenly the world has a new celebrity couple to obsess about We've barely started a relationship Now there's all this pressure When our once seemingly perfect life gets shaken will we come out stronger or will what everyone has been saying about us that this is too quick too serious and that we're too young for this to be real come to truth I'm Whitney Ford and from the second Kale McCain walked into my life I knew it would never be the same *Nero Awakening* Keary Taylor, 2019-01-15 The Bahiri are real and Nova has found them hidden away on an invisible planet With their help she's finally ready to accept what she is a Nero She has to train to learn how to use her abilities and she's got years worth of catching up to do Desperate she'll push herself possibly beyond her limits But learning how to use her abilities not only awakens her capability to control Neron but her power to see the future Going to sleep is a nightmare and heaven all in the same breath Her future hasn't changed it's still with Valen Nero standing and ruling by his side Every morning she wakes gutted and alone Her visions of the love between them aren't real At least not yet Nova is losing her mind Her heart is fractured and conflicted into knots How is she supposed to let him go to walk away from the galaxy's second cruelest man when she knows what kind of love they could have The time for a choice has come stay on Salypso where it's safe where Cyrillius will never find her Or take what she has learned as a Nero and try to change her future and that of the galaxy

*The Neron Rising Saga* Keary Taylor, 2019-02-11 If you're a fan of Star Wars the Red Rising trilogy and basically anything space related this could be your kind of story However the relationship and romance aspect is key to the story line So don't go into this book thinking it's going to be all destroyer ships and battle scenes because it's not Nova is a firecracker with such compassion I was drawn into Nova's world the whole thing is so vividly painted I felt like I was living in it I adore a good bit of sci-fi and hot damn Keary Taylor certainly didn't disappoint This is a brilliant story and it's a great example of Sci-Fi Romance at its finest In the Eon galaxy Dominion controls any planet with solid Neron deposits and Nova just found out they're coming for hers Korpillion isn't supposed to have any Neron the galaxy's purest form of energy but Nova Ainsley has been working with the owner of a secret mine for months building highly illegal weapons that can wield Neron She wants off Korpillion and selling these weapons will buy her and her father a ticket to another planet in the galaxy Neron is incredible on its own but there are those who can wield it to their will granting them the ability to read minds see the future and destroy worlds the Nero But this is a galaxy where they are ceasing to exist and Dominion owns the last one in the known universe using him to take over and destroy billions of lives An encounter with the last Nero shows Nova her future it's with him She will stand by his side one day her fingers laced through his love and adoration in both their eyes a dark queen to his evil pawn king Fate or destiny Nova will do whatever it takes to change their future and that of the galaxy *The Neron Rising Saga* is a series of episodes This set contains episodes 1-3 *Neron Rising* *Neron Skies* and *Nero Awakening* **Garden of**
