**Doctor Margie** Don Roper, 2013-03-29 Marjorie Ferrell was always a bit precocious. She could count to a hundred before she was three and when she showed up for the first grade it only took the authorities a day or two to recognize that she belonged in the second. She completed college in three years and was accepted as one of three women in the medical school class of 1943 which she completed in another three aided by wartime acceleration of the program. When she opened a medical practice in her hometown of Bullard, Texas, folks could only think of her as the little girl they remembered riding her bicycle down Main Street. However, they soon realized they had a hero in the making and quickly dubbed her Dr. Margie. This is her story

*After O'Connor* Hugh Ruppersburg, 2003 Georgia has produced some of the major figures of modern literature including Carson McCullers, Eudora Welles, Flannery O'Connor, and most notably Flannery O'Connor. While such writers are firmly established in American literary history, all too few readers are aware of how the state's tradition of literary excellence persists in the present day. The thirty stories in *After O'Connor* were written during the past fifteen years by authors who were born in Georgia or spent a significant part of their lives and careers in this state. Embracing the social, cultural, and ethnic variety in today's Georgia, *After O'Connor* both advances and helps redefine the great southern storytelling tradition

Contemporary Fiction Writers of the South Joseph M. Flora, Robert Bain, 1993-08-23 The extraordinary flowering of Southern literary talent in the early twentieth century, the Southern Literary Renaissance, has continued virtually unabated, showing increasing vitality in recent decades. These newer fiction writers, poets, dramatists, and journalists reflect in their work the changing social conditions of the South while also presenting traditional Southern values and qualities. Their astonishing output constitutes a phenomenon worthy of being called a Second Southern Literary Renaissance. Joseph M. Flora and Robert Bain, editors of the acclaimed *Fifty Southern Writers before 1900* and *Fifty Southern Writers after 1900*, found that they could only begin to suggest the continuing abundance and significance of Southern writing in the latter volume. Retaining the same format, they have developed two new volumes for the contemporary period. The first, focusing on fiction, comprises forty-nine talented novelists, including such popular figures as Pat Conroy, Gail Godwin, T. R. Pearson, Anne Tyler, and Alice Walker. The companion volume, *Contemporary Poets, Dramatists, Essayists, and Novelists*, a Bio-Bibliographical Sourcebook forthcoming from Greenwood Press, will cover primarily poets, playwrights, and essayists as well as fiction writers who have made major contributions to these other genres.

The essays written by scholars and critics present in each case a biographical sketch an analysis of the writer s style and major themes an assessment of reviews and scholarship a chronological list of works and a bibliography of selected criticism Considered individually and comparatively and with attention to the editors introductory essay these bio bibliographical studies clearly demonstrate the state and strength of Southern letters      **The New Georgia Encyclopedia Companion to Georgia Literature** Hugh Ruppersburg, John C. Inscoe, 2011-08-15 Georgia has played a formative role in the writing of America Few states have produced a more impressive array of literary figures among them Conrad Aiken Erskine Caldwell James Dickey Joel Chandler Harris Carson McCullers Flannery O Connor Jean Toomer and Alice Walker This volume contains biographical and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature Organized in alphabetical order by author the entries discuss each author s life and work contributions to Georgia history and culture and relevance to wider currents in regional and national literature Lists of recommended readings supplement most entries Especially important Georgia books have their own entries works of social significance such as Lillian Smith s *Strange Fruit* international publishing sensations like Margaret Mitchell s *Gone With the Wind* and crowning artistic achievements including Jean Toomer s *Cane* The literary culture of the state is also covered with information on the Georgia Review and other journals the Georgia Center for the Book which promotes authors and reading and the Townsend Prize given in recognition of the year s best fiction This is an essential volume for readers who want both to celebrate and learn more about Georgia s literary heritage      Attracting Nesting Wood Ducks to Your Property Morgan Smith (M.D.), 1998      **What Every Medical Writer Needs to Know** Robert B.
