The Wilt Alternative Tom Sharpe, 2011-05-26 Henry Wilt is no longer the victim of his own uncontrolled fantasies As Head of a reconstituted Liberal Studies Department he has assumed power without authority at the Fenland College of Arts Technology and the fantasies he now confronts are those of political bigots and reactionary bureaucrats in addition to his wife's enthusiasm for every Organic Alternative under the compost heap and the insistence of his quadruplets on looking at every problem with an unflinching lack of sentimentality It is only when Wilt becomes the unintentional participant in a terrorist siege that he is forced to find an answer to the problems of power which have corrupted greater men than he With a mental ingenuity born of his innate cowardice Wilt fights for those liberal values which are threatened both by international terrorism and by the sophisticated methods of police anti terrorist agents In the confusion that follows Wilt resumes his dialogue with the unflagging Inspector Flint and is himself subjected to the indignity of a psycho political profile Bitingly funny and brilliantly written *The Wilt Alternative* exposes the farcical anomalies which have become the social norms of our time

Wilt Tom Sharpe, 2011-05-26 Henry Wilt tied to a daft job and a domineering wife has just been passed over for promotion yet again Ahead of him at the Polytechnic stretch years of trying to thump literature into the heads of plasterers joiners butchers and the like And things are no better at home where his massive wife Eva is given to boundless and unpredictable fits of enthusiasm for transcendental meditation yoga or the trampoline But if Wilt can do nothing about his job he realises he can do something about his wife and as each day passes his fantasies grow more murderous and more real

The Wilt Inheritance Tom Sharpe, 2011 Stuck in a job he doesn't want but can't afford to lose as nominal Head of the Communications Department at Fenland University Wilt is still subject to the whims of The Powers That Be both in and outside of work The demands of his snobbish wife Eva and the stupendous school fees of his despicable quadruplet daughters cause him the biggest headaches apart from the hangovers that is When Eva signs him up for a summer job teaching the gun toting idiot son of a lusty local aristocrat Wilt is not amused But as circumstances unravel and the summer goes on Wilt sees that the situation could be put to his financial advantage as well as giving Eva some headaches of her own With Tom Sharpe's famous dark humour in full evidence and an explosive plot which takes its readers to places they never realised they wanted to visit *The Wilt Inheritance* is another instant classic from the British master of farce

The Throwback Tom Sharpe, 2002 A brilliant biting bestselling satire from the foremost satirist in the English language of his generation Wilt Tom Sharpe, 1984 In *Wilt* Sharpe has created a pathetic mouse of a man Henry Wilt who for ten years has taught literature to under appreciative over aged boors at the local college Tired of the constant bullying at the hands of his hefty obsessive compulsive wife Eva he finds himself gleefully fantasizing about murdering her When Eva

runs off with a visiting biochemistry professor and his nymphomaniacal wife Wilt begins to practice her eventual demise by dumping a life size blow up doll wearing Eva's clothes and wig down a 30 foot shaft Inevitably and uproariously everything goes wrong as Wilt is accused of murder and mayhem ensues in this delicious and scathing comedic satire **New**

on High Tom Sharpe,2004 Wilt is back in form and in a good deal of trouble Henry Wilt is still teaching at the Fenland Tech attempting to drill English into plasterers dozing through tedious committee meetings and occasionally getting mildly plastered in The Pig in a Poke with one of his few bearable colleagues But the even tenor of his days is rudely interrupted when the shadow of drug dealing flickers across the Tech Suddenly Wilt becomes the target of suspicion His colleagues believe him to be responsible for triggering a departmental inquiry and his old adversary Inspector Flint knowing that he's guilty of something sees a chance to settle a number of scores What starts with an accusation of voyeurism in the staff lavatory of the wrong gender to boot leads more or less directly to a massive confrontation at a nearby US airbase with the forces of law and order on both sides and Wilt in his usual place in the middle The Mind of the Individual Beverly

Cuffy,2011-11 In early 2006 after a visit to Canada to visit my sisters I came back to England alert confident and able to once

again reclaim my independence I didn't know but apparently it was common knowledge that a key to my house had been found. Or at least that is what was claimed. It had apparently been lost in the street. I awoke one night I had not locked the bedroom door and there was a man standing in the room a candle in his hand. He was standing about eight feet away just watching me. I was terrified and realised I had to keep totally still. He knew he had woken me though and said 'I'm not going to hurt you go back to sleep'. My subconscious must have recognised the voice and trusted the person because I did go back to sleep. Thereafter I ensured the bedroom door was locked. This and other instances make me realise how vulnerable I was to rape, abuse or being murdered in the house where I lived. I later learned that the neighbours would enter my house either by climbing in through the window or using the key which they had found.
