A Handbook Of Angels:

A Handbook Of Angels H C Moolenburgh, 2011-06-30 In 1981 a sermon was given in Leiden in which the minister called angels a forgotten group This book is an attempt to recall a forgotten group into the memory of everyone We read so much these days about matters concerning the underworld that we are inclined to forget that an enormous upper world stretches out above us A world which is also extremely active and one which is increasingly beginning to intrude In A Handbook of Angels the author recounts his survey of four hundred people and the spectacular results which include reportings of real life sightings of angels It becomes apparent that though we may have forgotten about angels they have not forgotten about us They are returning to human consciousness on a gigantic scale *The Book of Angels* Kaya, Christiane Muller, 2008 Through the traditional study of angels rediscover and develop the Angelic States of Consciousness that represent the essence of the divine qualities and virtues By reactivating these powerful Angelic Energies in your thoughts feelings and actions you will awaken a new way of understanding dreams signs and synchronicity Reading the real life experiences told in this book discover that the greatest teaching is that which is received through personal experience Become aware that every event meeting and word contributes to our evolution In simple language Kaya and Christiane Muller share with us the wealth of this teaching and its application to daily life They share their own experience and that of individuals who practice this ancient path of Knowledge To meditate with Angels is to experience spiritual autonomy
