Lori Wick Short Stories, Vol. 2 Lori Wick, 2017-03-28 Bestselling author Lori Wick's novels have warmed the hearts of millions of fans. Now for the first time ever, Lori's short stories are released to her ebook readers in this new Lori Wick Short Stories collection with a personal note from Lori after each story. Volume 2 reveals the blossoming love story of Beyond the Picket Fence. Dominique Nikki Brinks thought moving back to her small hometown would give her more time to write children's books. She didn't expect to find two very special children and their father right next door. As Nikki's sweet spirit brings healing to two little hearts, she discovers the abundant love God has waiting for her beyond the picket fence. **BONUS Chapter One** from the first book in Lori Wick's endearing Rocky Mountain Memories series *Where the Wild Rose Blooms* is included. *The Complete Red Moon Trilogy science fiction, fantasy, time travel: Books 1-3* Micah Caida, 2016-04-27 amazingly original and unexpected. I loved every second of reading it. Alexandra F. 15 who has read *The Book Thief*, *The Hunger Games*, and *Anna Karenina*. Note: Entire series was updated in 2022 to make all point of views 3rd person. We listened to readers who were confused with a mix of first and third person POVs. Rayen awakened in a strange place called Albuquerque but had no memory of how she landed in a desert where she was captured. While the authorities search for a way to identify her, she's sent to an unusual institution where she's shocked to see real paper. While stuck in a computer storage room with two arguing students, a power inside Rayen manifests unexpectedly and opens a portal sending her and unlikely sidekicks to a place harboring a deadly secret that can destroy this world and the future. All she wants is to regain her memory and go home. The only person who can help her is a young elite fighter of the future who is trapped in a fantastical world where killing the enemy and surviving is all that matters. With one impulsive action she believed would save a child, she proves she is his enemy. Micah Caida is a blend of two voices. New York Times Bestseller Dianna Love and USA Today Bestseller Mary Buckham. A breathtaking debut trilogy where Isaac Asimov meets Hunger Games. Wonderfully written. I've never read anything like it. Excellent. Adam, age 28. As the thrilling conclusion to the Red Moon series, *Time Lock* does not disappoint and will leave you in awe. Perfection on paper. Angela Catucci, college student. The last book in this trilogy blew my mind. Drop the mic. Walk away. Goodreads. **A View From The Terraces - Part 1** Steve Wilson, 2011-09-05 A recollection of more than thirty years of watching professional sport across Britain and Europe. The memories cover more than a thousand games of Football, Rugby, League, Cricket, Ice Hockey, and Rugby Union. **Air Bag Development and Technology, Hearing Before..., 93-1, on Air Bag Development and Technology, August 1, 1973** United States. Congress. Senate. Committee on Commerce, 1973. **The Way home or face The Fire** JAH, 1986-01-01 Most people wonder at the purpose of life. Is there a mission or destiny for each of us? Reconciling the claims of science with those of religion often leaves the rational mind confused. Whether you are alive to these problems or not, *The Way home* is for you.
