Journal of John Steinbeck, California?, 1938 February-1938 March John Steinbeck, 1938 **The Long Valley** John Steinbeck, 1996 Today nearly forty years after his death Nobel Prize winner John Steinbeck remains one of America's greatest writers and cultural figures. We have begun publishing his many works for the first time as blackspine Penguin Classics featuring eye-catching newly commissioned art. This season we continue with the seven spectacular and influential books: *East of Eden*, *Cannery Row*, *In Dubious Battle*, *The Long Valley*, *The Moon Is Down*, *The Pastures of Heaven*, and *Tortilla Flat*. Penguin Classics is proud to present these seminal works to a new generation of readers and to the many who revisit them again and again.

The Log from the Sea of Cortez, 1960 **Sea of Cortez** John Steinbeck, Edward F. Ricketts, 2009-07-08 The collaboration of two friends, one a novelist and one a marine biologist, produced a volume in which fascinating popular science is woven into a narrative of man's dreams, his ideals, and his accomplishments through the centuries. *Sea of Cortez* is one of those rare books that are all things to all readers. Actually, the record of a brief collecting expedition in the lonely Gulf of California, it will be science to the scientist, philosophy to the philosopher, and to the average man, an adventure in living and thinking. The teeming and wildly competitive world of the sand flats is seen in terms of history, politics, ethics, and sociology; a starfish is important not only because it is a new variety but because it is essential to the delicate balance of the whole region in which it is found. Steinbeck and Ricketts are the opposite of pure scientists; it is not only their work that fascinates them but the complicated and enormously exciting implications of that work. *Sea of Cortez* is a book to be read and remembered on two levels. It is a journey through a remote and beautiful corner of the world, a diary filled with the daily excitements and triumphs of skillful and energetic men. It is also an invitation to see the world anew from a fresh vantage point and perhaps with a broader and more understanding spirit.

Travels with Charley John Steinbeck, 2002 Steinbeck records his emotions and experiences during a journey of rediscovery in his native land. *The Grapes of Wrath* John Steinbeck, 1989 Traces the migration of an Oklahoma Dust Bowl family to California and their subsequent hardships as migrant farm workers. Amazon.com *Steinbeck* John Steinbeck, 1975 Surely his most interesting, plausibly his most memorable, and arguably his best book. *The New York Times Book Review*. For John Steinbeck, who hated the telephone, letter writing was a preparation for work and a natural way for him to communicate his thoughts on people he liked and hated, on marriage, women, and children, on the condition of the world, and on his progress in learning his craft. Opening with letters written during Steinbeck's early years in California and closing with a 1968 note written in Sag Harbor, New York, *Steinbeck: A Life in Letters* reveals the inner thoughts and rough character of this American author as nothing else has, and as nothing else ever will. The reader will discover as much about the making of a writer and the creative process as he will about Steinbeck. And that's a lot. *Los Angeles Herald Examiner*. A rewarding book of enduring interest, this becomes a major part of the Steinbeck canon. *The Wall Street Journal*.

Steinbeck Country David A. Laws, 2002-10-01 *Cannery Row*, *East of Eden*, *Of Mice and Men*, *The Red Pony*, and other classic stories by Nobel Prize-winning writer John Steinbeck are set

in the agricultural and ocean front communities of the Salinas Valley and Monterey Peninsula With 126 color photos and 2 maps this attractive souvenir and guide brings Steinbeck Country to life for visitors as well as readers unable to visit California
