A Long Way From Heaven:

A Long Way from Whitehall David Lynn Lyons, 2014-08-28 Author David L Lyons grew up during the 1950s and 60s in the small community of Whitehall in northern Alabama. As a child he dealt with abject poverty and the stigma of being born to an unwed mother which greatly affected his childhood. Lyons realized he was different from other children on the first day of school when teachers asked students to tell the class who their fathers were and what they did. He never knew his father. Instead he was raised by a single mother, a rarity in 1947 when he was born with the help of his maternal grandparents. In his memoir *A Long Way from Whitehall*, Lyons recalls the adventures, misadventures, and unusual characters he encountered living in rural Alabama. He includes tales of family holidays, schools, and childhood mischief, as well as memories from his time in the navy, his return to civilian life, his time in college, and his eventual career as a police officer and a commissioned officer in the US Army. Lyons also provides a collection of food recipes and home remedies used during his youth. This personal narrative presents a story of survival, perseverance, and the tremendous drive to overcome early difficulties. Lyons' life story demonstrates that with hard work, it is possible to achieve your dreams.

A Mistaken Angel Eve Grafton, 2017-06-02 Alessandro Rodrigos was trying hard to overcome the loss of his wife and drawing comfort from his family. His little daughter was emphatic that her mother had come back from heaven, and this needed investigation. His suspicion that his extended family had something to do with his wife's death urged him to present them with evidence that his grandmother was the owner of the family ranch, not him, expecting them to show themselves in their true colors. He waited for the repercussions, expecting some action from them. It was a surprise to him when the response was to kidnap his daughters, mistaken angel, to prove to him that his wife did not die. Someone was certainly confused.

Verses of the Sanctuary Juan Castano, 2012-04-25 *VERSES OF THE SANCTUARY* is the continuation of a journey of the children of the Sanctuary which started in *ANAMNESIS*. The children of the Sanctuary are the creative minds, the divine souls, gods among humans, beginning and the light of life. They live in the human society just like everyone else, but all along they have felt something is missing; they perceive that there is something else they try to find, the inexplicable, the reason, and to the senses, the truth. Understanding more the new world behind unopened doors, between unexplored parallels where the poetical verses of art dominate, where philosophy is a life style, and where all the immortal souls belong to the eternal place, the Sanctuary. Here are the Poetry and Songs experienced by the divine immortal souls fighting their own demons in a world of dark mortal souls, a world of hate and chaos, destruction and confusion.

It's a Long Way Down to the Top David H. Stroud, 2012-10-17 Enter into rest. Where do you come to rest internally? The heart of flesh pumps blood, and the heart of the spirit resides in the mind. True rest must first be in the mind, and the heart for the whole person, and the whole life, to rest. Activity and rest of the body, soul, and spirit are life. In His image, the Lord made our life in perfection of purpose, intent, and craftsmanship. Where do you come to rest in His presence with the extra ingredient of your purpose, intent, and craftsmanship? How do you enter activity in Him or in you? Are

you a citizen of heaven in yearning confident expectation or an earthling putting down roots as he thinks in his heart so is he Prov 23 7 *Visitor*, 1841 **The Yi River Commentary on the Book of Changes** Cheng Yi, 2019-01-01 A translation of a key commentary on perhaps the most broadly influential text of classical China This book is a translation of a key commentary on the Book of Changes or Yijing I Ching perhaps the most broadly influential text of classical China The Yijing first appeared as a divination text in Zhou dynasty China ca 1045 256 bce and later became a work of cosmology philosophy and political theory as commentators supplied it with new meanings While many English translations of the Yijing itself exist none are paired with a historical commentary as thorough and methodical as that written by the Confucian scholar Cheng Yi who turned the original text into a coherent work of political theory *The Visitor*, 1841 *Catalog of Copyright Entries* Library of Congress.
