

ALMIGHTY GOD, YOU ARE THE ALL-POWERFUL GOD WHO FIGHTS OUR BATTLES FOR US AND GIVES US VICTORY. IN MY OWN POWER, I'M LIMITED AND OFTEN FEEL I'M AT MY END, HEAVILY BURDENED AND READY TO GIVE UP. RENEW MY STRENGTH TO FIGHT FOR MY MARRIAGE UNTIL WE EXPERIENCE RESTORATION. COME TO MY RESCUE, DEAR LORD, AND HELP ME NOT TO LOSE HEART. I LEAN ON YOUR STRENGTH AND BELIEVE YOU WILL GUIDE ME, GIVE ME WISDOM AND STRENGTH SO I CAN HONOR AND GLORIFY YOU IN MY MARRIAGE. IN JESUS' NAME I PRAY. AMEN.

A Marriage In The Lord:

A Marriage in High Life Scott, 1836 **A Marriage in High Life** Lady Scott, 2023-09-12 Reproduction of the original

What God Hath Joined Together Kevin Rhodes, 2009-11-01 Marriage was begun by God designed by God and leads to the greatest happiness when couples listen to God You will never find two perfect people which is why you must listen to a perfect God if you want the perfect marriage PRECEPTS Thoroughly biblical while addressing a variety of issues couples face in real life Illustrates how decisions before marriage greatly affect the marriage Provides a biblical perspective for often cited counseling approaches A balanced view of the responsibilities of husbands and wives PROMISE The reader will gain an appreciation for God's wisdom in His plan for marriage The reader will better understand his or her spouse's point of view The reader will understand intimacy in the greater context of marriage The reader will learn to respect God and his or her spouse more within the marriage Contents Chapter 1 Introduction Beginning with a discussion of the ground rules for husbands and wives to discuss their marriage this opening chapter is designed to introduce the biblical nature of marriage the practical implications of marriage how expectations can be our enemy in marriage how and when to evaluate your marriage and then ultimately why everyone should want a happy marriage Chapter 2 The Right Reasons for Marriage This chapter discusses the reasons provided in the Bible for marriage showing the importance of each one and then proceeds to illustrate why a marriage begun for the wrong reasons can lead to real problems later on Chapter 3 Preparing for Marriage While many people spend months planning for a wedding they rarely spend much time preparing themselves for marriage However strong marriages begin with people who have prepared their character long before marriage people who had standards for whom they would marry and kept to them people who recognized that married life is different that many would change significantly and that the unexpected might become normal Most of all people must learn to prepare themselves for the commitment that marriage requires Without these things it is no wonder that couples have problems Chapter 4 The Problem Free Marriage Part One While the nature of what two people might argue about or what might drive them apart will be different depending upon their background and circumstances we can be sure that problems arise in any marriage Therefore marriage is not about avoiding problems which is impossible but about confronting them properly The place to start of course is by knowing what potential problems lurk out there so that you can prepare to meet and overcome them together Chapter 5 The Problem Free Marriage Part Two Unfortunately there are a LOT of potential problems which means additional discussion Chapter 6 The Importance of Character in Marriage Young couples often approach marriage as if saying I do in front of people makes you grow up immediately Instead couples should know that marriage does not necessarily mature people but that only mature people should get married Marriage requires constancy on some things and flexibility on others Maturity helps you tell which one is needed when Marriage requires unselfishness and good communication skills as well as the right attitude when things do not go your way Marriage therefore works best when both

husband and wife are faithful Christians submitting first to God's will so that they are prepared to work together to fashion their marriage according to God's will. Since some people have trouble determining when they are truly prepared I suggest asking five specific questions whenever you are considering marriage.

Chapter 7 Roles in Marriage While a discussion of the roles the Bible gives for husbands and wives is not necessarily politically correct it is essential for a strong marriage. But more than this it is important for couples to understand these roles in a deeper way instead of believing the caricature.

Why Marriage is Important to God Terence White Sr, 2018-04-26. Why does God care? He cares because he loves us and yearns to see his creation blessed and fruitful. He told Adam and Eve to replenish the earth and gave them the means to do so. The damage that sin brought in through disobedience has caused great division among those that have dared to obey God in being married. The tools God gives us are quite available to those that desire to be successful in their relationship of husband and wife. The beginning of this is found in the best toolbox ever put together: the Word of God. If you and your spouse would open it with a true heart for knowledge and instruction the author would surely and most assuredly guide you to the things required for your situation and prepare you to be an example to others. He gives common sense but requires humility to grow in understanding and implementation of his wisdom. I have tried over the years to help couples from every walk of life realize the importance of acknowledging that you cannot meet the demands of governing a marriage in joy and effectively raising a family without the great author and finisher of our faith. I've known couples who ignored this advice and rejected the tools made available by God and their marriages did not last or they were most miserable and all manner of discord was brought into their institution. The result was bitterness, infidelity and no peace and eventually it was destroyed. I've also known couples that have navigated the waters of life in their institution for well over sixty years and took the time to find the wisdom of God in using the tools he provided in raising their families and obtaining peace. You too can change the course of

your marriage and recover the joys you shared when you realized your love for each other You must set aside the destructiveness of pride and arrogance and pursue the knowledge understanding and the wisdom of God in Christ Jesus If you ask him he will teach you and help you restore the joy and build a strong foundation for the future of the relationship and that of your family None of us have all the answers but we have access to the one that does Jesus Christ the ultimate bridegroom I hope that you and your spouse find the peace and joy that marriage is supposed to have Meet the challenges with confidence in the Lord and each other and trust the love and friendship that brought you to the altar and God's throne always be ready to listen and slow to speak Honor the person that you are joined to before God Love ye one another Bless you both

[Building a Marriage That Really Works](#) Kay Arthur, David Lawson, BJ Lawson, 2011-07-27 A Blueprint for Building a Love that Lasts Marriage begins with visions of eternal love hope and happiness Yet even among Christians hope too quickly fades The happiness dims And love seems too hard to sustain It doesn't have to be that way God designed marriage to be a satisfying fulfilling relationship and He created men and women so that they together and as one flesh could reflect His love for the world Marriage when lived out as God intended makes us complete it brings us joy and gives our lives fresh meaning In this study you'll examine God's design for marriage and you'll learn from the Designer's perspective what it means to be a godly husband or wife You'll discover biblical wisdom for pursuing harmony in difficult areas such as finances communication and respect for each other's roles Most important you'll learn the principles you need to build a love that lasts

Unless the Lord Builds the House Nancy B. Walker, 2017-01-27 How do you encourage a couple to live by principles that will create a strong marriage How do you describe ways to avoid the pitfalls meet the challenges and enjoy the blessings that a marriage offers Unless the LORD Builds the House answers these questions by illustrating ten Biblical principles upon which a successful marriage is based The author equates each principle to a part of a house and when all the parts are put together the reader has a marriage built by the LORD This book makes a wonderful gift or can be read as a devotional at a wedding shower bridal luncheon or wedding anniversary party At the end of the book there is a house image that can be cut apart by principle As each principle is read it can be attached to the others to build the house creating a memorable visual of God's plan for marriage From the Rock upon which the house is built to the roof that covers it all with love this devotional creates a beautiful picture of a marriage that will thrive
