A Massacre Of Innocents:

A Massacre of Innocents Christopher Brennan, 1971 **A Massacre of Innocents** Loren Abbey, Pamela Zibura, 2015-05-26 In 1952 on a highway in the small Northern California mountain village of Chester a local businessman and four small children are carjacked robbed and savagely bludgeoned Three of the children are killed A year earlier a Folsom gold mine operator had been murdered in a home break in robbery attempt and five months after the Chester murders the quiet Southern California city of Burbank is rocked when during another home break in an elderly widow is found bound gagged and brutally murdered in her own home Thus begins the terrifying chronicle of the Mountain Murder Mobs deadly rampage up down and through the Golden State from the gritty back alleyways of the Los Angeles suburbs to the forested foothills of the Northern Sierrasa gang of ruthless killers ply their murderous trade by preying on societys most vulnerable citizens And behind the scenes the victims young wife and mother copes with the grief of a life turned upside down after her heartbreaking loss Struggling to build a new life for herself and for what now remains of her devastated family she leans on her unwavering faith and a deep reservoir of inner strength A Massacre of Innocents is the previously untold true story of the Mountain Murder Mobs horrific crimes and how they ultimately paid for those crimes The Massacre of the Innocents Warren Carter, 2023-01-30 In The Massacre of the Innocents Studies in the Cultural Afterlife of a Gospel Scene Warren Carter examines some fifty instances of the interpretation of the Matthean Massacre of the Innocents Matt 2 16 18 He emphasizes the agency of interpreters who in their particular contexts and media think with the shocking Matthean scene to address the often tragic circumstances of their audiences He argues throughout that the structure of the Gospel scene facilitates this thinking with The scene is structured as a triad of power relations with a tyrant Herod victims infants and parents and violent means of tyranny the massacre Interpreters use this triad of power relations to identify tyrant s victims and means of tyranny in their own situations Carter illustrates the use of this triad of power relations across two millennia in numerous socio political contexts and media as diverse as sermons images poems and hymns dramas and festivals films novels Christmas carols and Children s Bibles *The Massacre of the Innocents!* Charles Kingsley, 1875

Imagining Childhood Erika Langmuir, 2006-01-01 The images of children that abound in Western art do not simply mirror reality they are imaginative constructs representing childhood as a special stage of human life or emblematic of the human condition itself In a compelling book ranging widely across time national boundaries and genres from ancient Egyptian amulets to Picasso s Guernica Erika Langmuir demonstrates that no historic period has a monopoly on the discovery of childhood Famous pictures by great artists as well as barely known anonymous artefacts illustrate not only Western society s perennially ambivalent attitudes to children but also the many and varied functions that works of art have played throughout its history **From Criminal to Courtier** David Kunzle, 2021-10-11 The art of the Netherlands Dutch and Flemish is unique in Early Modern Europe in its concern for military cruelty against civilians principally the peasantry

Decimated by time and changes in taste this popular iconography proves varied and extensive stretching from Bruegel to and past Rubens Massacres of the Innocents continue to be a favourite subject through the Eighty Years War in contrast to ruling class glorifications of war Dutch patriotic siege prints lay claim to scientific precision in landscapes free of military terror while the idea of military conquest is presented as generous rather than cruel in the ever popular figure of Scipio Africanus Most of the pictorial material is unfamiliar some of it even to specialists and never before published new light is shed on the more familiar phenomena of the civic guard groups and Ter Borch courtier officers good soldiers overcoming a bad image

Theatres Of Violence Philip Dwyer, Lyndall Ryan, 2012-04-01 Massacres and mass killings have always marked if not shaped the history of the world and as such are subjects of increasing interest among historians The premise underlying this collection is that massacres were an integral if not accepted part until quite recently of warfare and that they were often fundamental to the colonizing process in the early modern and modern worlds Making a deliberate distinction between massacre and genocide the editors call for an entirely separate and new subject under the rubric of Massacre Studies dealing with mass killings that are not genocidal in intent This volume offers a reflection on the nature of mass killings and extreme violence across regions and across centuries and brings together a wide range of approaches and case studies **Massacre of the Innocents** Lionel Rose, 2015-08-27 Before contraception was generally available and when abortion was fraught with danger infanticide was a common solution to the problem of unwanted children Massacre of the Innocents first published in 1986 shows the causes and consequences of the high tide of infanticide in Victorian Britain Lionel Rose describes the ways in which unwanted and surplus infants were disposed of and the economic and social pressures on women to rid themselves of their burdens by covert criminal and sub criminal means He discusses the activities of infanticidal and abortionist midwives and shows how the practices of wet nursing and baby farming were closely related to infanticide Unscrupulous insurance salesman even turned infanticide into a profitable business in their reckless grab for commissions Infanticide declined with the growing practice of contraception the lessening of pressure of unmarried mothers and as adoption was made easier This is a hard hitting scrupulously documented piece of social history This title will be of interest to students of history and criminology Slang and Its Analogues Past and Present: Ice to Hyps John Stephen Farmer, 1896 **Michel Tournier** Martin Roberts, 1994 *The Works of Thomas Carlyle: Latter-day pamphlets* Thomas Carlyle, 1898 **Thomas Carlyle's Collected Works** Thomas Carlyle, 1870
