*Becoming Visible* Beth A. Firestein, 2007 *Becoming Visible* offers cutting edge psychological perspectives on bisexual and queer identities and the cultural and mental health issues facing bisexual lesbian gay queer and questioning individuals and their partners Essential for any professional seeking to provide best practice services to this population *Becoming Visible* addresses the therapeutic needs of bisexuals at every stage of the life cycle This volume explores why some people resist identity labels and what bisexual men and women consider exemplary and harmful in their therapeutic experiences It also helps practitioners distinguish between the stresses brought on by being part of a sexual minority and the clinical symptoms that indicate serious mental health issues It includes research on ethnic minority bisexuals youth elders gender variant individuals and bisexuals engaging in alternative lifestyles and sexual practices such as polyamory and BDSM Edited by a psychologist who specializes in sexual orientation and gender identity issues and with contributions from scholars and professionals from multiple disciplines the book embraces perspectives from the empirical to the phenomenological and outlines both scientific and practice based approaches to the subject while carefully considering the psychological cultural and spiritual dimensions of the issues confronting bisexual men and women *Becoming Visible* is a crucial step in the improved mental health and well being of bisexuals transgender individuals and other sexual minorities This book offers a

path toward awareness and compassion for those who seek to understand treat and empower this underserved and frequently misunderstood group of mental health clients      **Disability and Qualitative Inquiry** Ronald J. Berger, Laura S. Lorenz, 2016-03-09 This groundbreaking text makes an intervention on behalf of disability studies into the broad field of qualitative inquiry Ronald Berger and Laura Lorenz introduce readers to a range of issues involved in doing qualitative research on disabilities by bringing together a collection of scholarly work that supplements their own contributions and covers a variety of qualitative methods participant observation interviewing and interview coding focus groups autoethnography life history narrative analysis content analysis and participatory visual methods The chapters are framed in terms of the relevant methodological issues involved in the research bringing in substantive findings to illustrate the fruits of the methods In doing so the book covers a range of physical sensory and cognitive impairments This work resonates with themes in disability studies such as emancipatory research which views research as a collaborative effort with research subjects whose lives are enhanced by the process and results of the work It is a methodological approach that requires researchers to be on guard against exploiting informants for the purpose of professional aggrandizement and to engage in a process of ongoing self reflection to clear themselves of personal and professional biases that may interfere with their ability to hear and empathize with others      **Disability Theory** Tobin Siebers, 2008-06-16 Boldly rethinks theoretical questions of the last thirty years from the vantage point of disability studies      **Ability Speaks: Talking with a person with disability** Ellen Bouchard Ryan, Karen A. Bannister, 2009      **Going Blind** Mara Faulkner, OSB, 2012-03-15 Finalist for the 2010 Minnesota Book Award presented by the Friends of the Saint Paul Public Library Mara Faulkner grew up in a family shaped by Irish ancestry a close to the bone existence in rural North Dakota and the secret of her father's blindness along with the silence and shame surrounding it Dennis Faulkner had retinitis pigmentosa a genetic disease that gradually blinded him and one that may blind many members of his family including the author Moving and insightful *Going Blind* explores blindness in its many permutations within the context of the author's family more broadly as a disability marked by misconceptions and as a widely used cultural metaphor Mara Faulkner delicately weaves her family's story into an analysis of the roots and ramifications of the various metaphorical meanings of blindness touching on the Catholic Church of the 1940s and 1950s Japanese internment the Germans from Russia who dominated her hometown and the experiences of Native people in North Dakota Neither sentimental nor dispassionate the author asks whether it's possible to find gifts when sight is lost      **Divorce and the Special Needs Child** Margaret Pegi Price, 2011-01-15 This book takes a comprehensive look at every aspect of the legal divorce process and addresses the legal issues that divorcing parents of children with special needs face It guides parents through the initial hurdles of choosing the right lawyer for their case and explains exactly how to work with them to achieve the best possible outcome      **Education, Equity, Economy: Crafting a New Intersection** George W. Noblit, William T. Pink, 2015-11-17 This volume will introduce the readers to an alternative nexus of education equity and economy pointing to

economies and educations that promote a less stratified and exploitive world and as the chapter authors demonstrate this view has a wide range of applications from technology mathematics to environmental catastrophes and indigenous cultures This first volume in the new book series not only introduces the series itself but also several authors whose chapters that appear here presage the in depth analysis that will be offered by their volumes in the series Education is invoked repeatedly in the class warfare that pits the population against the elites as the investment that makes the difference in terms of both policy and individual commitment in the economy The economy in this scenario is competitive accumulative exploitive and stratifying implying education should mirror this and prepare people to fit this economy However education has other historic goals of developing common cultures national identities and civic engagement that belie this form of economic determinism This volume and the series will explore this new nexus of economy and education with equity **Civil**

**Disabilities** Nancy J. Hirschmann, Beth Linker, 2015-02-25 An estimated one billion people around the globe live with a disability this number grows exponentially when family members friends and care providers are included Various countries and international organizations have attempted to guard against discrimination and secure basic human rights for those whose lives are affected by disability Yet despite such attempts many disabled persons in the United States and throughout the world still face exclusion from full citizenship and membership in their respective societies They are regularly denied employment housing health care access to buildings and the right to move freely in public spaces At base such discrimination reflects a tacit yet pervasive assumption that disabled persons do not belong in society Civil Disabilities challenges such norms and practices urging a reconceptualization of disability and citizenship to secure a rightful place for disabled persons in society Essays from leading scholars in a diversity of fields offer critical perspectives on current citizenship studies which still largely assume an ableist world Placing historians in conversation with anthropologists sociologists with literary critics and musicologists with political scientists this interdisciplinary volume presents a compelling case for reimagining citizenship that is more consistent inclusive and just in both theory and practice By placing disability front and center in academic and civic discourse Civil Disabilities tests the very notion of citizenship and transforms our understanding of disability and belonging Contributors Emily Abel Douglas C Baynton Susan Burch Allison C Carey Faye Ginsburg Nancy J Hirschmann Hannah Joyner Catherine Kudlick Beth Linker Alex Lubet Rayna Rapp Susan Schweik Tobin Siebers Lorella Terzi

**Contested Issues in Student Affairs** Peter M. Magolda, Marcia B. Baxter Magolda, 2023-07-03 What is your level of understanding of the many moral ideological and political issues that student affairs educators regularly encounter What is your personal responsibility to addressing these issues What are the rationales behind your decisions What are the theoretical perspectives you might choose and why How do your responses compare with those of colleagues Contested Issues in Student Affairs augments traditional introductory handbooks that focus on functional areas e g residence life career services and organizational issues It fills a void by addressing the social educational and moral concepts and concerns of

student affairs work that transcend content areas and administrative units such as the tensions between theory and practice academic affairs and student affairs risk taking and failure and such as issues of race ethnicity sexual orientation and spirituality It places learning and social justice at the epicenter of student affairs practice The book addresses these issues by asking 24 critical and contentious questions that go to the heart of contemporary educational practice Intended equally for future student affairs educators in graduate preparation programs and as reading for professional development workshops it is designed to stimulate reflection and prompt readers to clarify their own thinking and practice as they confront the complexities of higher education Student affairs faculty administrators and graduate students here situate these 24 questions historically in the professional literature present background information and context define key terms summarize the diverse ideological and theoretical responses to the questions make explicit their own perspectives and responses discuss their political implications and set them in the context of the changing nature of student affairs work Each chapter is followed by a response that offers additional perspectives and complications reminding readers of the ambiguity and complexity of many situations Each chapter concludes with a brief annotated bibliography of seminal works that offer additional information on the topic as well as with a URL to a moderated blog site that encourages further conversation on each topic and allows readers to teach and learn from each other and interact with colleagues beyond their immediate campus The website invites readers to post blogs respond to each other and upload relevant resources The book aims to serve as a conversation starter to engage professionals in on going dialogue about these complex and enduring challenges

**More Than Ramps** Lisa I. Iezzoni, Bonnie O'Day, 2006 Nearly twenty percent of Americans live today with some disability a number that will grow as the baby boomers age Despite this the U S health care system is ill equipped to provide optimal safe and efficient care to this population Significant barriers still block people with disabilities from receiving high quality health care This book examines these barriers then proposes solutions to make health care accessible and welcoming to people with disabilities It focuses on adults who are blind deaf hard of hearing or who have difficulties using their legs arms or hands The book draws upon stories told to the authors by persons with these conditions as well as reviews of national surveys governmental policies and current practices

BOOK JACKET **A Matter of Dignity** Andrew Potok, 2008-12-10 From A Matter of Dignity I realized that I needed to learn about

the legislative and legal aspects of disability as much as I did about our feelings regarding wholeness beauty and ugliness about the state called normalcy about liberating technologies and therapies about the role of the disabled in history and literature And what could better inform and enlighten me than contact with people who help create access who elicit change via care support teaching and study as their life s work As it turned out I have learned from them that in spite of the American addiction to youthfulness normalcy virility activity and physical beauty diversity in all its forms provides not only fascination but strength Diversity tends toward higher forms uniformity toward dullness and extinction What could make more sense than to value all that is diverse unexpected and exuberantly impure

**The Special Needs Child and Divorce** Margaret S.
