A Guide To Silent Westerns

Michael R. Pitts

A Guide To Silent Westerns :

A Guide to Silent Westerns Larry Langman, 1992-10-20 This comprehensive film guide lists the screen credits and provides synopses of more than 5 400 silent western features documentaries shorts and serials released from the 1890s through 1930 Numerous one two and three reelers are included in this guide These westerns came from both the major and lesser known American film studios many long defunct The term western is hard to define someone once commented that a western had to have a horse in it The genre generally applies to that post Civil War period beginning with the great cattle drives and ending around 1890 But the author has included tales about early California Mexico various Indian tribes along the Eastern seaboard the building of the railroad the gold rush of 1849 and the search for gold in the Yukon Other films which seem to have less in common with the genre such as northern westerns are listed in a separate appendix **A**

Biographical Dictionary of Silent Film Western Actors and Actresses George A. Katchmer, 2015-05-20 Long before sound became an essential part of motion pictures Westerns were an established genre The men and women who brought to life cowboys cowgirls villains sidekicks distressed damsels and outraged townspeople often continued with their film careers finding success and fame well into the sound era always knowing that it was in silent Westerns that their careers began More than a thousand of these once silent Western players are featured in this fully indexed encyclopedic work Each entry includes a detailed biography covering both personal and professional milestones and a complete Western filmography A foreword is supplied by Diana Serra Cary formerly the child star Baby Peggy who performed with many of the actors herein *Billy the Kid on Film, 1911-2012* Johnny D. Boggs, 2013-09-06 A comprehensive filmography this book is composed of lengthy entries on about 75 films depicting legendary New Mexico outlaw Billy the Kid from the lost Billy the Kid 1911 to the blockbuster *Young Guns* 1988 to the direct to video *Billy the Kid* 2012 and everything in between Each entry gives a synopsis cast and credits critical reception and a discussion of the events of the films compared to the historical record Among the entries are made for TV and direct to video films foreign movies and continuing television series in which Billy the Kid made an appearance **The Six-gun Mystique Sequel** John G. Cawelti, 1999 To this structural analysis he adds a new account of the genre's history and its relationship to the myths of the West which have played such an influential role in American history **BOOK JACKET**

Chai Noon Jonathan L. Friedmann, 2025 Only a few Westerns contain explicitly Jewish stories or themes and very rarely do Old West tales involve identifiably Jewish characters Yet Jewish contributors have shaped the Western once Hollywood's most popular genre ever since the silent era both onscreen and offscreen and some filmmakers have sought to infuse the genre with a distinctly Jewish sensibility In *Chai Noon* Jonathan L. Friedmann applies some of the central questions of Jewish film studies to the Western What makes a movie Jewish What counts as a Jewish image on screen What types of Jewish representation are appropriate How much of a film's Jewishness owes to the filmmakers and how much to the viewer's interpretation This volume joins other reconsiderations of outsider and minority representations in Westerns

to offer a more nuanced view of the genre Friedmann engages with larger themes of Jewish identity in popular film including depictions of race ethnicity and foreignness He also identifies similar concerns within the invention and creation of the imaginary West writ large in American culture The juxtapositions prove to be both unexpected and intuitively understandable

The Five Sedgwicks Michael Zmuda,2015-05-15 Individually and together The Five Sedgwicks are among the unsung heroes of early filmmaking in Hollywood Their work took them from vaudeville to silent film through the studio era and into the Golden Age of television By the late 1920s the Sedgwick siblings were well known motion picture personalities Edward was satirized by actor Harry Gribbon as an enthusiastic comedy director in King Vidor s 1928 silent comedy hit Show People Josie was a star of Western films and was presented the honorific title of Queen of the Roundup Universal Films promoted Eileen as their Queen of the Serial This book details the family s extensive contributions to the entertainment industry

Genre and Hollywood Steve Neale,2005-06-20 Genre and Hollywood provides a comprehensive introduction to the study of genre In this important new book Steve Neale discusses all the major concepts theories and accounts of Hollywood and genre as well as the key genres which theorists have written about from horror to the Western He also puts forward new arguments about the importance of genre in understanding Hollywood cinema Neale takes issue with much genre criticism and genre theory which has provided only a partial and misleading account of Hollywood s output He calls for broader and more flexible conceptions of genre and genres for more attention to be paid to the discourses and practices of Hollywood itself for the nature and range of Hollywood s films to be looked at in more detail and for any assessment of the social and cultural significance of Hollywood s genres to take account of industrial factors In detailed revisionist accounts of two major genres film noir and melodrama Neale argues that genre remains an important and productive means of thinking about both New and old Hollywood its history its audiences and its films

American Frontiersmen on Film and Television Ed Andreychuk,2011-05-23 From the French and Indian War to the Civil War well over a hundred years of American history is reflected through the lives of six bold and famous men Daniel Boone Davy Crockett Jim Bowie Sam Houston Jim Bridger and Kit Carson Here is a book that details their lives their legends and the many films and television shows their stories inspired A biography of each frontiersman is followed by a detailed examination of films and television shows featuring that man as a character Discussion of films includes cast and credit listings synopses and notes on the production including comments on accuracy and interpretation Television coverage includes listings of episode titles and discussion of each series history The book is illustrated with both film stills and artwork of the frontiersmen An appendix of documentaries and a bibliography are included

The Ethics of Anthropology and Amerindian Research Richard J. Chacon,Rubén G. Mendoza,2011-12-15 The decision to publish scholarly findings bearing on the question of Amerindian environmental degradation warfare and or violence is one that weighs heavily on anthropologists This burden stems from the fact that documentation of this may render descendant communities vulnerable to a host of predatory agendas and hostile modern forces Consequently some

anthropologists and community advocates alike argue that such culturally and socially sensitive and thereby politically volatile information regarding Amerindian induced environmental degradation and warfare should not be reported This admonition presents a conundrum for anthropologists and other social scientists employed in the academy or who work at the behest of tribal entities This work documents the various ethical dilemmas that confront anthropologists and researchers in general when investigating Amerindian communities The contributions to this volume explore the ramifications of reporting and specifically of non reporting instances of environmental degradation and warfare among Amerindians Collectively the contributions in this volume which extend across the disciplines of archaeology anthropology ethnohistory ethnic studies philosophy and medicine argue that the non reporting of environmental mismanagement and violence in Amerindian communities generally harms not only the field of anthropology but the Amerindian populations themselves

Still in the Saddle Andrew Patrick Nelson, 2015-08-03 By the end of the 1960s the Hollywood West of Tom Mix Randolph Scott and even John Wayne was pass or so the story goes Many film historians and critics have argued that movies portraying a mythic American West gave way to revisionist films that influential filmmakers such as Sam Peckinpah and Robert Altman made as violent critiques of the Western s golden years Yet rumors surrounding the death of the Western have been greatly exaggerated says film historian Andrew Patrick Nelson Even as the Wild Bunch and John McCabe rode forth John Wayne remained the Western s number one box office draw How then could there have been a revisionist reckoning at a time when the Duke was still in the saddle In Still in the Saddle Nelson offers readers a new history of the Hollywood Western in the 1970s a time when filmmakers tried to revive the genre by appealing to a diverse audience that included a new generation of socially conscious viewers Nelson considers a comprehensive filmography of releases from 1969 to 1980 in light of the visual tropes and narratives developed and reworked in the genre from the 1930s to the present In so doing he reveals the complexity of what is probably the most interesting period in Western movie history His incisive reevaluations of such celebrated or infamous films as *The Wild Bunch* and *Heaven s Gate* and examinations of dozens of forgotten and neglected Westerns including the final films of John Wayne demonstrate that there was more to the 1970s Western than simple revision Instead we see not only important connections between canonical and lesser known films of the period but also continuities between these and older Westerns Nelson believes an ongoing cyclical process of regeneration thus transcends established divisions in the genre s history Among the books currently challenging the prevailing evolutionary account of the Western Still in the Saddle thoroughly revises our understanding of this exciting and misunderstood period in the Western s history and adds innovatively and substantially to our knowledge of the genre as a whole

Western Film Highlights Henryk Hoffmann, 2015-07-11 Westerns may have had their heyday but they remain popular The greatest films from 1914 when *The Squaw Man* and *The Virginian* were among the genre s best through 2001 when *American Outlaws* and *Texas Rangers* were tops are the subject of this work For each year the author names the outstanding western films in the following categories

picture screenplay original and adaptation direction cinematography music male and female leading roles and male and female supporting roles Also for each year the author lists the westerns that received Academy Award nominations and those that won makes note of the births and deaths of notable actors directors producers composers cinematographers authors and other such personalities and describes the genre's significant achievements *John Ford's Stagecoach* Barry Keith Grant, 2003 Table of contents

Hollywood's Indian Peter Rollins, 2011-01-23 Offering both in depth analyses of specific films and overviews of the industry's output Hollywood's Indian provides insightful characterizations of the depiction of the Native Americans in film This updated edition includes a new chapter on *Smoke Signals* the groundbreaking independent film written by Sherman Alexie and directed by Chris Eyre Taken as a whole the essays explore the many ways in which these portrayals have made an impact on our collective cultural life

Borderland Films Dominique Brégent-Heald, 2015-11 The concept of North American borderlands in the cultural imagination fluctuated greatly during the Progressive Era as it was affected by similarly changing concepts of identity and geopolitical issues influenced by the Mexican Revolution and the First World War Such shifts became especially evident in films set along the Mexican and Canadian borders as filmmakers explored how these changes simultaneously represented and influenced views of society at large *Borderland Films* examines the intersection of North American borderlands and culture as portrayed through early twentieth century cinema Drawing on hundreds of films Dominique Brégent-Heald investigates the significance of national borders the ever changing concepts of race gender and enforced boundaries the racialized ideas of criminality that painted the borderlands as unsafe and in need of control and the wars that showed how international conflict significantly influenced the United States relations with its immediate neighbors *Borderland Films* provides a fresh perspective on American cinematic cultural and political history and on how cinema contributed to the establishment of societal narratives in the early twentieth century

The A to Z of Westerns in Cinema Paul Varner, 2009-09-28 When the earliest filmgoers watched *The Great Train Robbery* in 1903 many of them shrieked in terror at the very last clip when one of the outlaws turns directly toward the camera and fires a gun seemingly directly at the audience The puff of smoke was sudden and it was hand colored so that it looked real Today we can look back at that primitive movie and see all the elements of what would evolve into the Western genre Perhaps it is the Western's early origins *The Great Train Robbery* was the first narrative commercial movie or its formulaic yet entertaining structure that has made the Western so popular Whatever the case may be with the recent success of films like *3:10 to Yuma* and *The Assassination of Jesse James by the Coward Robert Ford* the Western appears to be in no danger of disappearing The story of the western is told in *The A to Z of Westerns in Cinema* through a chronology a bibliography and an introductory essay However it is the hundreds of cross referenced dictionary entries on cinematographers composers producers films like *Butch Cassidy and the Sundance Kid* *Dances With Wolves* *The Good The Bad and the Ugly* *High Noon* *The Magnificent Seven* *The Searchers* *Tombstone* and *Unforgiven* such actors as Gene Autry Kirk Douglas Clint Eastwood Henry Fonda James

Stewart and John Wayne and directors like John Ford and Sergio Leone that will have you reaching for this book again and again Westerns John White,2010-11-30 In this guidebook John White discusses the evolution of the Western through history looking at theoretical and critical approaches to the genre Don Miller's Hollywood Corral Don Miller,1993 Hollywood Corral offers an accurate and entertaining look at the Saturday matinee sagebrush sagas that flourished from the 30s through the 50s It s the ultimate guide to the world of Gene Autry Roy Rogers Hopalong Cassidy Tom Mix Buck Jones Hoot Gibson Ken Maynard Lash LaRue and other western matinee heroes This seminal work on low budget series westerns contains 462 rare photographs a complete B Western series filmography and twenty essays *Souls for Sale* Terry Lindvall,2021-07-09 The beginning of the twentieth century evolved out of an era of Freethinking atheists and agnostics who challenged the Protestant hegemony of the day Key among these mavericks was author and filmmaker Rupert Hughes uncle to Howard Hughes In 1922 Hughes published *Souls for Sale* his wickedly playful satire of the Bible belt and Hollywood offering a mischievous snapshot of the film industry as it struggled against a conservative Zeitgeist The novel follows the prodigal adventures of a clergyman s daughter as she stumbles into the movie industry and finds it to be a new and liberating moral universe Hughes s adaptation of his sly work challenged the religious hierarchy of his day but ultimately fell by the wayside even with the support of Hollywood icons like Eric von Stroheim and Charlie Chaplin *Souls for Sale* offers a glimpse into the emerging Jazz age of moviemaking against the backdrop of a country moving from its traditional roots into the kinetic ways of Hollywood ROY, "ROCKY" & RED RYDER; "HOPPY," DURANGO & MO[O]RE Dr. Jim Vickrey, Ph.D., J.D.,2019-11-11 ROY ROCKY HOPPY DURANGO MO O RE By Dr Jim Vickrey Ph D J D From Chapter One The Wages of Cinema on Coming of Age on the B Western Movie Range to the Conclusion Why You Can Yet Join Me in Riding the Range Again author Dr Jim Vickrey is hopeful that the experiences I ve had while researching and writing this movie related memoir will engender within readers the same happy thoughts I had and have resulting from my first and every subsequent encounter thereafter with the world of Western particularly B Western cinema **Western Movies** Michael R. Pitts,2013-01-04 This revised and greatly expanded edition of a well established reference book presents 5105 feature length four reels or more Western films from the early silent era to the present More than 900 new entries are in this edition Each entry has film title release company and year running time color indication cast listing plot synopsis and a brief critical review and other details Not only are Hollywood productions included but the volume also looks at Westerns made abroad as well as frontier epics north woods adventures and nature related productions Many of the films combine genres such as horror and science fiction Westerns The volume includes a list of cowboys and their horses and a screen names cross reference There are more than 100 photographs
