A Higher Call Adam Makos,2013-04-15 This instant Sunday Times bestseller tells the story of two fighter pilots whose remarkable encounter during World War II became the stuff of legend Five days before Christmas 1943 a badly damaged American bomber struggled to fly over wartime Germany At its controls was a twenty one year old pilot Half his crew lay wounded or dead Suddenly a German Messerschmitt fighter pulled up on the bomber's tail the German pilot was an ace a man able to destroy the American bomber with the squeeze of a trigger This is the true story of the two pilots whose lives collided in the skies that day the American 2nd Lieutenant Charlie Brown and the German 2nd Lieutenant Franz Stigler *A Higher Call* follows both Charlie and Franz's harrowing missions and gives a dramatic account of the moment when they would stare across the frozen skies at one another What happened between them the American 8th Air Force would later classify as top secret It was an act that Franz could never mention or else face a firing squad It was the encounter that would haunt both Charlie and Franz for forty years until as old men they would seek out one another and reunite
