

A detailed oil painting of a young woman, likely a pioneer or settler, looking directly at the viewer. She has a serious expression. She is wearing a white headscarf, a white ruffled collar, a dark blue neckerchief tied in a bow, and a brown, textured dress. The background is dark and indistinct.

Western Civilization in World History Peter N. Stearns, 2008-01-28 Western civilization and world history are often seen as different or even mutually exclusive routes into historical studies This volume shows that they can be successfully

linked providing a tool to see each subject in the context of the other identifying influences and connections Western Civilization in World History takes up the recent debates about the merits of the well established Western civ approach versus the newer field of world history Peter N Stearns outlines key aspects of Western civilization often assumed rather than analyzed and reviews them in a global context **A History of Western Society 9th Ed Vol C + Discovering the Western Past 5th Ed** John P.
