Jews and Muslims in the Russian Empire and the Soviet

Union Franziska Davies, Martin Schulze Wessel, Michael Brenner, 2015-11-18 The Russian Empire and the Soviet Union were multiethnic and multireligious empires which ruled over a large number of Jews and Muslims In many ways these two non Christian minorities presented similar challenges to the imperial order Which policies did the state pursue toward Jews and Muslims How did Jews and Muslims attempt to advance their interests in the political sphere Which role did they play in the imperial army What did the Jewish and Muslim Enlightenment movements have in common In which respects were the experiences of Jews and Muslims fundamentally different This book brings together specialists in Russian Jewish and Russian Muslim history and offers perspectives for a comparative approach to the history of Jews and Muslims in Russia Jews in Ukrainian Literature Myroslav Shkandrij, 2009-08-25 This pioneering study is the first to show how Jews have been seen through modern Ukrainian literature Myroslav Shkandrij uses evidence found within that literature to challenge the established view that the Ukrainian and Jewish communities were antagonistic toward one another and interacted only when compelled to do so by economic necessity Jews in Ukrainian Literature synthesizes recent research in the West and in the Ukraine where access to Soviet era literature has become possible only in the recent post independence period Many of the works discussed are either little known or unknown in the West By demonstrating how Ukrainians have imagined their historical encounters with Jews in different ways over the decades this account also shows how the Jewish presence has contributed to the acceptance of cultural diversity within contemporary Ukraine *God's Playground A History of Poland* Norman Davies, 2005-02-24 This new edition of Norman Davies's classic study of the history of Poland has been revised and fully updated with two new chapters to bring the story to the end of the twentieth century The writing of Polish history like Poland itself has frequently fallen prey to interested parties Professor Norman Davies adopts a sceptical stance towards all existing interpretations and attempts to bring a strong dose of common sense to his theme He presents the most comprehensive survey in English of this frequently maligned and usually misunderstood country *Literature Redeemed* Nicolas Dreyer, 2020-07-13 In the post Soviet period discussions of postmodernism in Russian literature have proliferated Based on close literary analysis of representative works of fiction by three post Soviet Russian writers Vladimir Sorokin Vladimir Turchkov and Aleksandr Khurgin this book investigates the usefulness and accuracy of the notion of postmodernism in the post Soviet context Classic Russian literature renowned for its pursuit of aesthetic moral and social values and the modernism that succeeded it have often been seen as antipodes to postmodernist principles The author wishes to dispute this polarity and proposes post Soviet neo modernism as an alternative concept Neo modernism embodies the notion that post Soviet writers have redeemed the tendency of earlier literature to seek the meaning of human existence in a transcendent realm as well as in the treasures of Russia's cultural past My Life as a Russian Novel Emmanuel Carrère, 2018-02-01 As a writer Carrère is straight berserk Junot Diaz In this non fiction novel road trip confession and erotic tour de force Emmanuel Carrère pursues two consuming obsessions the disappearance of his grandfather amid suspicions that he was a Nazi

collaborator in the Second World War and a violently passionate affair with a woman that he loves but which ends in destruction Moving between Paris and Kotelnich a grisly post Soviet town Carr re weaves his story into a travelogue of a journey inward travelling fearlessly into the depths of his tortured psyche Reference Guide to Russian Literature Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **The London and Paris Observer** ,1836
