A Long Walk Home Kwen Griffeth,2015-06-28 Joseph Denton was a man happy with his life Oh sure he would do a few things a little different if he had the chance If he could get a do over he would be an architect instead of a pharmacist It s not that he doesn t like being a pharmacist but he always wanted to design buildings If he could do it one more time he would make it so his wife and he could have kids He was sure he would enjoy being a father but his wife would have loved being a mother even more More money would be nice but do overs don t exist They just don t happen Joe lived in Chicago and when the wind blows in Chicago hang onto your hat It can stir up change Who knew maybe a change in the wind would even blow in a Cubs World Series Win **Cubs Forever** Bob Vorwald,2008-03-01 Cubs Forever celebrates the 60 year romance

Charlie Williamson is a life long jock who s butch enough to cause plenty of raised eyebrows in gym locker rooms Since flaming out of college on a wave of drugs alcohol and depression she s worked the same easy low stress job at RRiotWear a women s fitness clothing startup in Chicago Then with a promotion on the horizon Charlie s boss ropes her into leading a beginner s marathon group in the RRiotWear facilities Elizabeth McIntyre runs a boutique tech company Since graduating from MIT she s made herself into the face of women in technology She has a beautiful apartment she never sees a string of ex girlfriends and a propensity for panic attacks When her doctor confirms what her best friend has been saying for years that Elizabeth needs to slow down and make some radical life changes she signs up for RRiotWear s marathon program Despite everything that points to a not so perfect fit the attraction between Charlie and Elizabeth grows week after week and mile after mile But with secrets lingering between them they might find their relationship stumbles before it can even get to the starting line **Fred's Way** Craig Nagel,2015-10-22 Freds Way is a coming of age novel about a young man torn

between going off to college to become an ordained Lutheran pastor or staying home in Chicago to marry his high school sweetheart It resonates with the agony of someone trying desperately and often comically to find his role in a society that refuses to fit his innocent expectations The central character Fred Hansen is at root a mystic alive to the wonder and glory of life Like a latter day Don Quixote hes never quite in synch with what others call reality including the scientific world view of his premed roommate Jimbo the commonsense practicality of his girlfriend Patsy the argumentative mindset of Catherine Coyle an attractive classmate with whom he gets entangled or the spontaneous and somewhat improvident habits of Corning

a red haired art major who lives down the hall Freds Way recaptures the torrent of changes sweeping through America at the start of the 1960s and gently explores the heartaches and triumphs we all encounter in the process of trying to find our place in the world *The Coach House* Florence Osmund,2012-04-26 1945 Chicago Anything can happen and for Richard Marchetti it usually does Marie Marchetti however doesn't know that about her husband To her they have the perfect life Until little things start to pop up that put her on alert late night phone calls cryptic receipts hidden in the basement and a gun in his desk drawer When she learns he secretly attends a mobster's funeral her feelings are confirmed And when she inadvertently interrupts a meeting between Richard and his so called business associates he causes her to fall down the basement steps compelling Marie to run for her life Ending up in Atchison Kansas Marie quickly sets up a new life for herself She meets Karen Franklin a woman who will become her lifelong best friend and rents a coach house apartment behind a three story Victorian home But her attempts at a new life are fraught with the fear that Richard will show up at any time and who knows what he or his associates will do then Ironically it is the discovery of the identity of her real father and his ethnicity that unexpectedly changes her life forever Deftly portraying a life in a terrifying transition Osmund tears open layers of confusion anger fear and shame that are universal to the human experience of catharsis and growth With extraordinary insight into our most basic need for trust and connection *The Coach House* expertly builds tension as it brings into the open our primal instincts for survival and community **A Chicago Firehouse** Karen Kruse,2001-04-12 From its humble beginnings in 1884 as a one story frame building with one bay to house Hose Company 4 and its team of horses Engine Company 78 has been the firefighting sentinel at the end of Waveland Avenue sitting in the shadow of Wrigley Field Using vintage photographs and moving stories from firefighters themselves Karen Kruse captures the spirit and heroism of this historic Chicago landmark Captain Robert F Kruse served the Chicago Fire Department for 30 years half of those at Wrigleyville's Engine 78 Growing up within the tight knit firefighting community Ms Kruse records the dramatic and touching stories from her father's and his peers experiences and combines them in this volume exploring the unique history of Lakeview's firehouse including a foreword by Mike Ditka and preface by Fire Commissioner James Joyce With details about little known historic districts and a brief guide to Chicago's cemeteries and their relations to firefighters *A Chicago Firehouse* Stories of Wrigleyville's Engine 78 relays in first hand accounts some of Chicago's most fiery tragedies the brave men who battled them and the diversity of the neighborhood that housed them **The Rainy Winters Band** Arlett Graham Arlett,Graham Arlett,2010-04 Jack King is at a crossroads Things haven't exactly turned out for him the way he imagined unless of course getting dumped by his girlfriend being a slave to workforce drudgery and living the life of a degenerate pothead were all part of the cosmic plan Faced with the choice of either surrendering to the realities of this mundane existence or boldly pursuing his own creative passion for peach pie the blues and the Chicago Cubs Jack hits the road to live the dream and find friendship love money and the Big Time *Poet in the Grandstand* Thomas Porky McDonald,2010-11-18

In the area of ballpark hopping there have been a number of accounts written recorded or talked about in recent times sometimes for a cause or others just as a gimmick Through Poet in the Grandstand poet and writer Thomas Porky McDonald gives us a most unique twist on a preoccupation which has grown in the past few decades in the wake of the closings of classic old yards and the birth of the more entertainment and nostalgia driven open air parks From his first trip in 1990 to the fabled Comiskey Park of Shoeless Joe Jackson Bill Veeck and the Go Go Sox on through to the 2010 opening of Minnesotas fabulous Target Field featuring the modern M M Boys Joe Mauer and Justin Mourneau McDonald offers up a book that is part travelogue and part poetic tribute to all the places that men and women have gone to over the years for a very personal sense of joy This journey done methodically over two decades picks up steam as the chapters begin to flow The effect of McDonald himself clearly growing as a poet through the years is accentuated by the fact that more and more pieces are written in the later trips The end result is a most interesting volume of not just ballparks but Americana as numerous attractions taken in during those ballpark weeks and weekends are also noted and or dissected For fourteen seasons on his own and then six more accompanied by friend and confidant Adam Boneker McDonalds travels highlighted by over 300 poems can take the reader back to a simpler time or into the possibilities of the future In chapter and in verse Poet in the Grandstand has something for both the baseball enthusiast and the curious traveler Fans of the game and lovers of the road will each find much to offer within these pages
