Fascinating Stories of Forgotten Lives Charles R. Swindoll, 2011-12-21 Join pastor and bestselling author Charles Swindoll as he explores the lives of 13 biblical hidden figures whose stories have remained in the shadows of history for long enough Somehow life has taught us poorly We're trained to think that the most significant people are star athletes actors and musicians the ones we applaud those whose autographs we seek or those who have worldly fame But Swindoll teaches us that most often the people really worth noting are those who turn from a nobody into a somebody but never receive credit *Fascinating Stories of Forgotten Lives* reminds us of a core truth success in God's kingdom and in the church depends upon faithful people the public rarely knows The Old Testament contains numerous fascinating stories of forgotten lives unsung heroes whose actions sacrifices or battles failed to ascribe them worldly applause These great lives however reveal significant people whom God honors in the pages of His Word and therefore deserve our serious attention and emulation From the misfortunes of Esau to the bravery of Abigail each of these unlikely heroes has four unique elements in common A selfless sense of devotion A mission A love of harmony A contagious joy Join Swindoll in this eighth volume of the bestselling *Great Lives from God's Word* series as he examines little remembered Bible characters and events helping you discover biblical principles and practical applications for living so that you can be who you already are in God's eyes a person of true significance

The Mystery of God's Will Charles R. Swindoll, 2001-09-30 I don't think I've ever met anyone who hasn't struggled with the desire to know God's will The problem is this struggle often involved a great deal of confusion and worry Chuck Swindoll Many people have the idea that if they could just somehow find that single planned direction they would be effortlessly swept through life But life is not like that Probably the most misunderstood factor of discovering God's will is the thought that If I do this the struggles will end the questions are over the answers come and I live happily ever after But that's not reality Does that mean that God's will must remain opaque to us that we must muddle and grope blindly through life with no clue to what He wants for us Not at all says Charles Swindoll In this groundbreaking book Swindoll invites us to join him on a spiritual quest I believe God's will for us in this life is not some black and white objective designed to take us to an appointed destination here on earth as much as it is about the journey itself and what matters to Him in our lives *The Mystery of God's Will* overflows with practical insights humor and unforgettable stories that will demystify clarify and put your mind at ease
