Greco, Jim Milliot, Robert M. Wharton, 2013-07-31 This volume provides an innovative and detailed overview of the book publishing industry including details about the business processes in editorial marketing and production The work explores the complex issues that occur

every day in the publishing industry **A Series of Unfortunate Events #10: The Slippery Slope** Lemony Snicket, 2003-09-23 Like bad smells uninvited weekend guests or very old eggs there are some things that ought to be avoided Snicket's saga about the charming intelligent and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over The 10th book in this outrageous publishing effort features more than the usual dose of distressing details such as snow gnats an organised troupe of youngsters an evil villain with a dastardly plan a secret headquarters and some dangerous antics you should not try at home With the weather turning colder this is one chilling book you would be better off without Ages 10 *For Younger Readers*, 2004 **The Gothic Fairy Tale in Young Adult Literature** Joseph Abbruscato, Tanya Jones, 2014-07-15 Rooted in the oral traditions of cultures worldwide fairy tales have long played an integral part in children's upbringing Filled with gothic and fantastical elements like monsters dragons evil step parents and fairy godmothers fairy tales remain important tools for teaching children about themselves and the dangers and joys of the world around them In this collection of new essays literary scholars examine gothic elements in more recent entries into the fairy tale genre for instance David Almond's Skellig Neil Gaiman's The Graveyard Book and Coraline and Lemony Snicket's A Series of Unfortunate Events exploring such themes as surviving incest and the capture and consumption of children Although children's literature has seen an increase in reality based stories that allow children no room for escape from their everyday lives these essays demonstrate the continuing importance of fairy tales in helping them live well rounded lives **Talking Book Topics**, 2005-11 *The Publishers Weekly*, 2007 *Braille Book Review*, 2005 Innocence, Heterosexuality, and the Queerness of Children's Literature Tison Pugh, 2010-12-14 Innocence Heterosexuality and the Queerness of Children's Literature examines distinguished classics of children's literature both old and new including L Frank Baum's Oz books Laura Ingalls Wilder's Little House series J K Rowling's Harry Potter novels Lemony Snicket's A Series of Unfortunate Events and Stephenie Meyer's Twilight series to explore the queer tensions between innocence and heterosexuality within their pages Pugh argues that children cannot retain their innocence of sexuality while learning about normative heterosexuality yet this inherent paradox runs throughout many classic narratives of literature for young readers Children's literature typically endorses heterosexuality through its invisible presence as the de facto sexual identity of countless protagonists and their families yet heterosexuality's ubiquity is counterbalanced by its occlusion when authors shield their readers from forthright considerations of one of humanity's most basic and primal instincts The book demonstrates that tensions between innocence and sexuality render much of children's literature queer especially when these texts disavow sexuality through celebrations of innocence In this original study Pugh develops interpretations of sexuality that few critics have yet ventured paving the way for future scholarly engagement with larger questions about the ideological role of children's literature and representations of children's sexuality Tison Pugh is Associate Professor in the Department of English at the University of Central Florida He is the author of Queering Medieval Genres and Sexuality and

Its Queer Discontents in Middle English Literature and has published on children's literature in such journals as *Children's Literature The Lion and the Unicorn* and *Marvels and Tales* **Bowker Annual Library and Book Trade Almanac**
