The Translator A Tribesman's Memoir Of Darfur By Daoud Hari:

The Translator Daoud Hari, 2008-06-05 Daoud Hari lost a way of life in Darfur. But amidst the carnage and turmoil he found a new calling. As a Zaghawa tribesman in the Darfur region of Sudan, Daoud Hari grew up racing camels across the desert, attending gloriously colourful weddings, and when his work was done playing games under the moonlight. But in 2003, helicopter gunships swooped down on Darfur's villages and shattered that way of life for ever. Soon, Sudanese government-backed militias attacking on horseback came to murder, rape, and burn. To drive the tribesmen from their lands. When Hari's village was attacked and destroyed, his family was decimated and dispersed. He escaped and, together with a group of friends, roamed the battlefield deserts, helping the weak and vulnerable find food, water, and a path to safety. And when international aid groups and reporters arrived, Hari gave his services as a translator and guide. To do so was to risk his life, for the Sudanese government had outlawed journalists, punishing aid to foreign spies with death. Yet Hari did so, time and again. Until eventually his luck ran out and he was captured. *The Translator* is a harrowing tale of selfless courage in terrifying conditions.

Book Club Kit Daoud Hari, Dennis Michael Burke, Megan M. McKenna, 2008. This is a harrowing memoir of how one person has made a difference. Daoud Hari helped inform the world about the genocide in Darfur. Hari, a Zaghawa tribesman, grew up in a village in the Darfur region of Sudan. In 2003, traditional life was shattered when government-backed militias attacked Darfur's villages with helicopters and on horseback, raping and murdering citizens and burning villages. His family dispersed. Hari escaped. He and friends helped survivors find food, water, and safety. When international aid groups and reporters arrived, Hari offered his services as a translator and guide, using his high school knowledge of languages. In doing so, time and again, he risked his life, for the government of Sudan had outlawed journalists in the region. Then, inevitably, his luck ran out and he was captured. Now freed, he is a living witness to genocide. From publisher description. *The Translator* Daoud Hari, 2009-01-13. NATIONAL BESTSELLER. Sudan Richard Cockett, 2016-10-25 The story of a nation in turmoil on its way to splitting in two Thoroughly absorbing *The Wall Street Journal* In recent decades the situation in Africa's largest country Sudan progressively deteriorated into a failed state with a war in Darfur claiming hundreds of thousands of lives President Bashir was indicted by the International Criminal Court and after South Sudan became independent in 2011 it was plagued by ethnic violence and human rights abuses In this fascinating and immensely readable book the Africa editor of the *Economist* gives an absorbing account of Sudan's descent into failure and what some have called genocide Drawing on interviews with many of the main players Richard Cockett explains how and why Sudan has disintegrated looking in particular at the country's complex relationship with the wider world He shows how the United States and Britain were initially complicit in Darfur but also how a broad coalition of human rights activists right wing Christians and opponents of slavery succeeded in bringing the issues to prominence in the United States and creating an impetus for change at the highest level Accessible informative Numerous maps and an impressive bibliography add
