The Promise By Kate Worth:

The Promise Kate Worth, 2012-07-11 This format has been replaced by <http://www.amazon.com> The Promise Kate Worth dp 1481237888 **Communication across Cultures** Heather Bowe, Kylie Martin, Howard Manns, 2014-10-23

Communication across Cultures explores how cultural context affects the use and misinterpretation of language. It provides an accessible and interdisciplinary introduction to language and language variation in intercultural communication by drawing on both classic and cutting edge research from pragmatics, discourse analysis, sociolinguistics, linguistic anthropology, and politeness studies. This new edition has been comprehensively updated to incorporate recent research with an emphasis on the fluid and emergent practice of intercultural communication. It provides increased coverage of variation in language within and between cultures, drawing on real world examples of spoken and written communication. The authors review classic concepts like face, politeness, and speech acts but also critique these concepts and introduce more recent approaches. Each chapter provides a set of suggested readings, questions, and exercises to enable the student to work through concepts and consolidate their understanding of intercultural communication. This is an excellent resource for students of linguistics and related disciplines. **Promising Language** Randall Craig, 2000-01-01 Argues that Victorian legal linguistic and cultural attitudes toward promises, especially promises to marry, had a formative effect on novels of the period.

Stevens' Handbook of Experimental Psychology, Memory and Cognitive Processes Douglas Medin, 2004-02-05 Now available in paperback. This revised and updated edition of the definitive resource for experimental psychology offers comprehensive coverage of the latest findings in the field as well as the most recent contributions in methodology and the explosion of research in neuroscience. Volume Two: Memory and Cognitive Processes focuses on the neurological and cognitive processes on topics such as memory, decision making, spatial cognition, linguistics, reasoning, and concepts. **Good**

Time Girls of the Alaska-Yukon Gold Rush Lael Morgan, 1999 Morgan offers an authentic and deliciously humorous account of the prostitutes and other disreputable women who were the earliest female pioneers of the Far North. At the turn of the century, tens of thousands of Americans left their homes, escaping a worldwide depression, ruthless heartbreakers. Cad Wilson French, Marie Larose, who auctioned herself off as a wife to the highest bidder, Edith Neile, called the Oregon Mare, famous for both her outlandish behavior and her soft-hearted generosity. These good time girls crossed geographic and social frontiers, finding freedom, independence, hardship, heartbreak, sometimes astonishing wealth. They were an important part of this key chapter in the history of the West, which holds a special place in the American imagination. **The Works of Shakspeare**
