and Philosophy Daniel Read, 2025-02-21 This is the first survey of Murdoch's exploration of evil addressing aesthetic philosophical political and theological perspectives The study demonstrates how her work engages with currently urgent issues of trauma terrorism and psychopathy and brings her works into dialogue with key figures in twentieth and twenty first century discussions of evil including Hannah Arendt Carl Gustav Jung Susan Neiman and Simone Weil These resonances are traced through close readings of Murdoch's published fiction and philosophy in combination with unpublished texts including annotations interviews and letters Murdoch's detailed and nuanced portrayal of evil invites readers to explore the complexities of human behaviour and the potential for moral failure A Dictionary of Biblical Tradition in English Literature

David Lyle Jeffrey, 1992 Over 15 years in the making an unprecedented one volume reference work Many of today's students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout

Iris Murdoch's Wild Imagination Lucy Oulton, 2025-05-10 This book presents the first ecocritical study of novelist philosopher poet and public intellectual Iris Murdoch 1919 1999 It brings her love of the natural world into the light arguing for its critical significance when Murdoch conveys an awareness of intricately interconnected ecologies through her work an awareness that anticipates the motivations and concerns of modern day environmental humanities The book is the first of its kind to assess some of Murdoch's poems seen as early articulation of the environmental imagination that finds recurrent expression in her novels philosophical writings and personal journals throughout her writing life This book offers a significant entry point for a new research direction in Murdoch studies by explicating her unique perspective on the natural world

Reading the Fantastic Imagination Dana Percec, 2014-06-26 The purpose of *Reading the Fantastic Imagination: The Avatars of a Literary Genre* is the observation of the very hybridity of the fantastic genre as a typical postmodern form The volume continues an older project of the editor and a large number of the contributors that of investigating the current status of several popular genres from historical fiction to romance The scrutiny continues in this third volume dedicated to the fantastic imagination and the plethora of themes moods media and formats deriving from it FanLit is surely trendy even if it is not highbrow despite its noble ancestry This apparent paradox characterizes many of the literary genres en vogue today from historical fiction to romance This very contradiction forms part of the basis for this book After the success of the previous book in the series dedicated to a borderline literary genre *Romance: The History of a Genre* was declared by Cambridge Scholars Publishing as the Critics Choice Book of the Month in January 2013 this collection of studies about the fantastic imagination takes a further step into completing a larger research project which seeks to investigate the varieties of popular fiction Although all contributors in the series teach canonical literary texts they did not hesitate to plunge into the opposite area of fictional work and moreover continued doing so even though such a project

caused the raise of a few high brows Percec 2012 232 as argued in the Endnote of Romance The History of a Genre
